## 2.5 Basis and Justification for the Disposal Consideration

The Disposal Consideration for the Proposed Disposal was arrived at based on an “willing-buyer willing-seller basis” after taking into consideration the market value appraised by Rahim & Co International Sdn Bhd, an independent professional valuer as at the material date of valuation on 22 September 2023. The Disposal Consideration represents a premium of about RM680,000 or 9% over the Market Value of the Property of RM7,500,000.

## 3. RATIONALE FOR THE PROPOSED DISPOSAL

The key rationale for the Proposed Disposal is to strengthen SCIB’s cash flow position and to reallocate its cash flow for working capital purposes. The Proposed Disposal is also in line with SCIB’s strategy to pare down its existing borrowings to improve its gearing level.

#### **4. DATE AND ORIGINAL COST OF INVESTMENT**

The Property was acquired as part of an earlier acquisition by the Company on 10 December 2021 amounting to RM4.98 million, which resulted in SCIBBS becoming a wholly owned subsidiary of SCIB.

#### **5. EXPECTED PROFIT/LOSS FROM THE PROPOSED DISPOSAL**

The Property's book value based on the most recent revaluation dated 22 September 2023 by an independent professional valuer, Rahim & Co International Sdn Bhd is RM7.5 million. The Proposed Disposal will result in a net loss of approximately RM923,000 after deducting estimated real property gain tax and incidental costs. In accordance with applicable accounting standards, the revaluation surplus associated with the Property will be reclassified from the revaluation reserve to retained earnings within shareholders' equity. While the Proposed Disposal is not expected to have a material impact on the Group's profit or loss statement, it will be reflected as a movement in the Statement of Changes in Equity.

#### **6. RISK FACTORS**

The Proposed Disposal is conditional upon the fulfillment of the Conditions Precedent in the SPA. There is no assurance that the Conditions Precedent will be obtained or fulfilled. Nevertheless, the Company will use its best endeavours to procure the Conditions Precedent in a timely manner to ensure that parties proceed with the completion of the Proposed Disposal.
