## NOTICE OF ANNUAL GENERAL MEETING

**NOTICE IS HEREBY GIVEN THAT** the Forty First (41st) Annual General Meeting of Sarawak Consolidated Industries Berhad ("SCIB" or "the Company") will be held at the Board Room, 2nd Floor, SCIB Building, Lot 1258, Jalan Utama, Pending Industrial Estate, 93450 Kuching, Sarawak on Wednesday, 31 May 2017 at 10:00 a.m. for the following purposes:

#### **AGENDA**

#### **ORDINARY BUSINESS**

(a) To receive the Audited Financial Statements for the financial year ended 31 December 2016 together with the Reports of the Directors and Auditors thereon.

Please refer to Explanatory Note(i)

- (b) To approve the following payments to Directors:
  - (i) annual fees of the Non-Executive Directors at an amount not exceeding RM280,000 in aggregate for the financial year ending 31 December 2017 (2016: RM216,000); and

Resolution 1

(ii) meeting allowances up to RM67,000 for the year ending 31 December 2017 until the next annual general meeting of the Company

Resolution 2

(c) To re-elect the Director, YBhg. Datu Ir. Haji Mohidden Bin Haji Ishak who retires in accordance with Article 115 of the Company's Articles of Association and being eligible, offers himself for re-election.

Resolution 3

(d) To re-appoint YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo to continue in office as a Director of the Company.

Resolution 4

(e) To re-appoint Messrs. Ernst & Young as auditors of the Company until the conclusion of the next annual general meeting and to authorise the Board of Directors to fix their remuneration.

Resolution 5

## SPECIAL BUSINESS

(f) To consider and, if thought fit, pass the following ordinary resolution:

Resolution 6

Authority to issue shares pursuant to Section 75 of the Companies Act 2016

"THAT pursuant to Section 75 of the Companies Act 2016, and subject always to the approval of the relevant authorities, the Directors be and are hereby empowered to issue shares in the Company from time to time and upon such terms and conditions and for such purposes as the Directors may in their absolute discretion deem fit, provided that the aggregate number of shares issued pursuant to this resolution does not exceed 10% of the total number of issued share of the Company for the time being and that the Directors be and are hereby empowered to obtain the approval for the listing of and quotation for the additional shares so issued on the Bursa Malaysia Securities Berhad and that such authority shall continue in force until the conclusion of the next annual general meeting of the Company."

(g) To consider and, if thought fit, pass the following ordinary resolution:

Resolution 7

 Proposed renewal of shareholder mandate for recurrent related party transactions of a revenue or trading nature ("Proposed Shareholder Mandate")

"THAT subject always to the Listing Requirements of Bursa Malaysia Securities Berhad, approval be hereby given to the Company and/or its subsidiaries ("SCIB Group") to enter into any of the categories of related party transactions which are recurrent, of a revenue or trading nature and are necessary for the day-to-day operations of SCIB Group as outlined in Section 3.2 on page 2 of the Circular to Shareholders dated 27 April 2017 ("Circular"), with the specific related parties mentioned therein subject further to the followings:

# NOTICE OF ANNUAL GENERAL MEETING (contd.)

- the transactions are in the ordinary course of business and are on normal commercial terms which are not more favourable to the related parties than those generally available to the public and not detrimental to the interest of the minority shareholders of the Company; and
- (ii) disclosure is made in the annual report a breakdown of the aggregate value of the transactions conducted pursuant to the Proposed Shareholder Mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Main Market Listing Requirements, and amongst others, based on the following information:
  - the type of the recurrent related party transactions made; and
  - the names of the related parties involved in each type of the recurrent related party transactions made and their relationship with the Company.

#### AND THAT such approval will continue to be in force until:

- (i) the conclusion of the next Annual General Meeting ("AGM") of the Company, at which time it will lapse, unless by an ordinary resolution passed at the meeting, the authority is renewed:
- (ii) the expiration of the period within which the next AGM of the Company after that date is required to be held pursuant to Section 340(2) of the Companies Act 2016 ("Act") [but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act]; or
- (iii) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is the earlier.

**AND THAT** the Directors of the Company be and are hereby authorised to complete and do all such acts and things as they may consider expedient or necessary to give effect to the Proposed Shareholder Mandate."

(h) To transact any other business which may properly be transacted at an annual general meeting, due notice of which shall have been previously given in accordance with the Companies Act 2016 and the Articles of Association of the Company.

By Order of the Board of Directors Voon Jan Moi (MAICSA 7021367)

Company Secretary

Dated: 27 April 2017 Kuching, Sarawak

# **NOTICE OF ANNUAL GENERAL MEETING (contd.)**

#### **Explanatory Notes:**

(i) This agenda item is meant for discussion only and hence it will not be put forward for voting.

#### (ii) Resolutions 3 - Re-election of Director

The Remuneration and Nomination Committee and the Board of Directors have assessed the independence of YBhg. Datu Ir. Haji Mohidden Bin Haji Ishak and recommended him to be re-elected as a Director of the Company at the forthcoming annual general meeting.

#### (iii) Resolution 4- Re-appointment of Director

At the 40th annual general meeting of SCIB held on 30 May 2016, YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo who is above the age of 70 years was re-appointed pursuant to Section 129(6) of the Companies Act 1965 to hold office until the conclusion of the 41st annual general meeting of SCIB.

His term of office will end at the conclusion of the 41st annual general meeting of SCIB. YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo has offered himself for re-appointment. With the enforcement of the first phase of the Companies Act 2016 on 31 January 2017, the Companies Act 1965 is repealed. Pursuant to the Companies Act 2016, there is no maximum age limit for directors.

The proposed resolution 4, if passed, will enable YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo to continue in office and he shall be subject to retirement by rotation in accordance with the Company's Articles of Association.

The Remuneration and Nomination Committee has assessed YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo and recommended for his re-appointment which has been duly endorsed by the Board of Directors of SCIB.

#### (iv) Resolution 6 - Authority to issue shares pursuant to Section 75 of the Companies Act 2016

The proposed resolution 6 will empower the Directors to issue shares up to an aggregate amount not exceeding 10% of the total number of issued share of the Company for the time being, for such purposes as the Board of Directors consider would be in the best interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next annual general meeting of the Company.

The general mandate sought for issue of shares is a renewal of the mandate that was approved by the shareholders at the Company's annual general meeting held on 30 May 2016 ("AGM 2016"). The Company did not utilize the mandate obtained at the AGM 2016.

The renewal of the general mandate is to provide flexibility to the Company to issue new shares without the need to convene a separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time.

The purpose of this general mandate is for possible fund raising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions.

# (v) Resolution 7 - Proposed renewal of shareholder mandate for recurrent related party transaction of a revenue or trading nature

Please refer to the Circular to Shareholders dated 27 April 2017 for further information.

#### Notes:

- A proxy may but need not be a member of the Company and there shall be no restriction as to the qualification of the proxy. A proxy appointed to attend, speak and vote at a meeting of a Company shall have the same rights as the member to speak at the meeting.
- To be valid, the duly completed Form of Proxy must be deposited at the registered office of the Company at Lot 1258, Jalan Utama, Pending Industrial Estate, 93450 Kuching, Sarawak not less than 48 hours before the time set for holding the meeting or any adjournment thereof.

# **NOTICE OF ANNUAL GENERAL MEETING (contd.)**

- 3. A member of the Company entitled to attend, speak and vote at this Annual General Meeting ("AGM") shall not be entitled to appoint more than two (2) proxies to attend, speak and vote at the same meeting. Where a member appoints more than one (1) proxy, the appointment shall be invalid unless he specifies the proportions of his holdings to be represented by each proxy.
- 4. If the appointor is a corporation, the Form of Proxy must be executed under its common seal or under the hand of an officer or attorney duly authorised.
- 5. Where a member of the Company is an exempt authorised nominee which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds. An exempt authorized nominee refers to an authorized nominee defined under the Securities Industry (Central Depositories) Act 1991 ("SICDA") which is exempted from compliance with the provisions of subsection 25A(1) of SICDA.
- 6. A depositor whose name appears in the Record of Depositors as at 25 May 2017 shall be regarded as a member of the Company entitled to attend this AGM or appoint a proxy to attend, speak and vote on his behalf.

## **CORPORATE PROFILE**

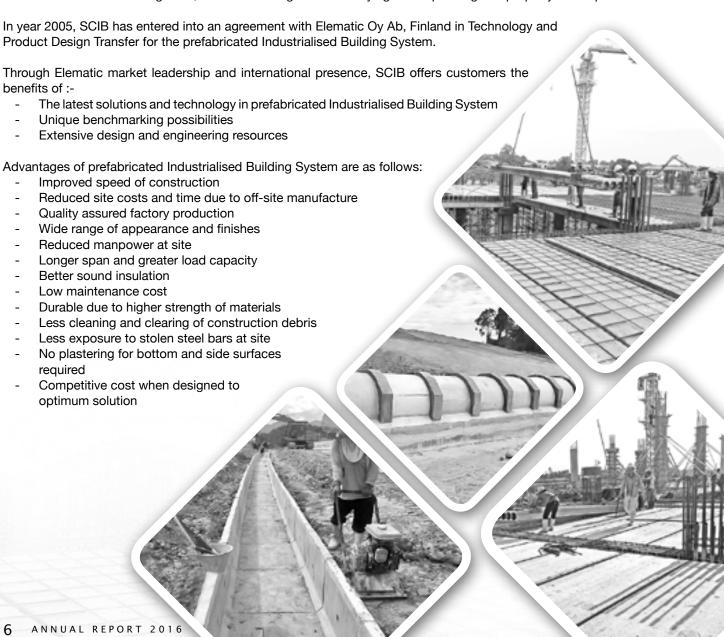

Sarawak Consolidated Industries Berhad ("SCIB") was founded in 1975 and has evolved from a small enterprise into a reputable Group of companies listed on the Main Market of Bursa Malaysia Securities Berhad. Currently, SCIB is operating three factories in Kuching, Sarawak, one factory in the Pending Industrial Estate and two factories in the Demak Laut industrial park.

SCIB is well known for professional management and has long history of innovative ideas and technological advances. Coupled with its wealth of experience and research acquired in more than three decades, SCIB offers its clients in-depth expertise through a combination of technology, efficiency and speed.

Amongst the concrete products manufactured for use in the construction and infrastructure sectors are pre-stressed spun pile, reinforced concrete square pile, spun concrete pipe, reinforced concrete box culvert, pre-stressed beam, concrete roofing tiles and prefabricated concrete elements or Industrialised Building System ("IBS") components such as Hollowcore slab, Wall panel, Column and Beam.

SCIB has become a much respected household name, a name synonymous with quality and service. With its commitment to quality, SCIB was awarded by SIRIM QAS ISO9001:2008 Quality Documentation System as well as product certification.

With long term focus on growth, SCIB underwent a group rationalization exercise which resulted in group structure in 2001. From a manufacturing base, SCIB sets its sight on diversifying and expanding into property development.

COMPANY NO. 25583-W

## **VISION AND MISSION STATEMENT**

# our VISION

To be a company founded on excellence.

# our MISSION

We are dedicated to the creation and demonstration of a concept of linked prosperity.

Our mission consists of three interrelated parts:

- **ECONOMIC MISSION:** To operate the Company on sound management principles for growth and increasing values for our shareholders and creating career opportunities and financial rewards for our employees;
- **PRODUCT MISSION:** To make, distribute and sell the finest quality products in innovative and creative ways while optimizing the utilization of resources; and
- **SPECIAL MISSION:** To operate the Company in a way that actively recognizes the central role that business plays in the structure of society by initiating innovative ways to improve the quality of life of a broad community.

Underlying the mission is the determination to seek new and creative ways to achieving all three parts.

## **DIRECTORS' PROFILE**

### ■ YBHG. TAN SRI DATUK AMAR (DR.) HAMID BIN BUGO

Non-Independent Non-Executive Chairman / Aged 71, Male, Malaysian

Tan Sri Hamid was appointed as a Non-Executive Chairman on 23 October 2001 and redesignated as the Executive Chairman from 22 November 2007 till 24 February 2010. He was then redesignated as the Non-Independent Non-Executive Chairman on 24 February 2010. He graduated with a Bachelor and Masters of Art (Economics) from Canterbury University, New Zealand, and a Teaching Post-Graduate Diploma from Christchurch Teachers' College in 1970. He received his Honorary Degree of Doctor of Commerce from Lincoln University in 2001.

He held various distinguished positions in the public service, including the first general manager of Land Custody and Development Authority, Permanent Secretary of Ministry of Resource Planning and finally State Secretary of Sarawak from 1992 till 2000.

Tan Sri Hamid also sits on the Board of Sapura Resources Berhad and Sapura Kencana Petroleum Berhad.

- Directorships
   Saved as disclosed above, none of the Chief Executive Officer and the Key Senior Management has other directorship in Public Companies.

### CHAIRMAN'S STATEMENT

#### Dear Shareholders

On behalf of the Board of Directors, I am pleased to present the Annual Report of the SCIB Group for the financial year ended 31st December 2016.

2016 was supposed to be a year of achievement to SCIB as we embarked on our journey to be the largest precast concrete manufacturer in the markets we served. The Malaysian Government has also awarded various packages of the Pan Borneo Highway Project during the year under review. Given this scenario, SCIB was confident of achieving greater success. However, the general downturn in the economy has impacted our group performance, thus registering a lower than expected performance as compared to 2015.

#### **Business Performance**

Downward trend from 2015 continued into 2016 whereby the business environment remained challenging as our revenue recorded a decrease of 13% or RM8.84 million from RM65.87 million in 2015 to RM57.03 million in 2016. The decrease was mainly due to the lack of new IBS projects and the delay in implementation of current projects as a result of economic uncertainty. Our traditional products consisting of spun piles, spun pipes and box culverts remained the top revenue generator for the group owing to the rolling out of the Pan Borneo and other government projects respectively.

Notwithstanding the bearish environment, we have increased our capacity and produced more than 143,200 tonnes of precast concrete products from the 3 operating plants in preparation for incoming orders. This move has been an integral part of the group's strategy to book more orders. As at 10 April 2017, our order book stood at RM44 million, majority of which would be recognized within the next 24 months.

Despite the uncertainties, the group remained steadfast as evidenced by new capital expenditure of approximately RM4.8 mil to be incurred for a new pipe and box girders plant to meet market demand arising from the Pan Borneo Projects.

As highlighted above, our performance was affected by the lack of new IBS projects and the delay in the performance of our existing projects and in the commencement of other projects. Despite this, the group is still quite optimistic in the adoption of IBS precast concrete components in construction projects in Sarawak. Towards this end, efforts have been intensified through our collaboration with CIDB in the promotion of the use of precast concrete components.

The acquisition of Carlton Gardens Sdn. Bhd. ("CGSB") in December 2016 reflects our BOD's desire to expand our horizon into other parts of Borneo. The group is optimistic that this acquisition will further expand our business reach to other parts of Sabah.

#### **Financial Performance**

The group registered a Profit before tax of RM1.59 million, our best performance over the last 5 years, as compared to RM233,857 registered in 2015 on the back of a net reversal of impairment losses on trade receivables and gain from disposal of an associate totaling RM5.26 million.

Our Earnings Before Interest Tax Depreciation & Amortization ("EBITDA") for the year increased by 28% to RM7.60 million from RM5.95 million registered in 2015. This is indeed a testament of management's resilience in managing the company given the challenging environment encountered in 2016.

#### **Sustainability and Diversity**

Given our ambition to be the largest precast manufacturer in Sarawak, the Group always remained steadfast in sourcing for suitable locations to relocate our current manufacturing operations at Pending Industrial Estate to ensure sustainability of future operations. The group is also constantly reviewing our risk management policies and practices in ensuring sustainability of the group as a going concern.

No major factory-related incidents at our respective factory floors were recorded during the year. This is indeed an achievement that we are proud off as there are a total of 276 salaried employees and 105 contract workers employed. We applaud ourselves as an organization in a traditionally male-dominated sector that respect and embrace diversity as a good 15% of our employees are women.

# CHAIRMAN'S STATEMENT (contd.)

At the board level, Tuan Haji Soedirman bin Haji Aini has been redesignated as an independent director and Encik Rewi Hamid Bugo was appointed as the member of the Risk Management Committee.

#### **Future Outlook**

As bullish as we want to be, we cannot say that the road ahead is going to be smooth. The group foresees challenging times ahead but remains cautiously optimistic that given an improved economic climate where government will increase its spending and the private sector reciprocates, we will return with positive results by end of the year. Given our increased capacity and efficiency, the group will benefit from the implementation of various government projects.

With the acquisition of CGSB the group expects its foray into Sabah will bring positive results and more opportunities to expand the usage of our products in the construction industry in Sabah. The group continues to identify synergistic merger and acquisition opportunities.

Going forward, the board and its responsive and committed staff are able to tackle the challenges ahead with vigour and determination. The board and I are confident this will improve our performance for our shareholders and clients.

Finally I thank our shareholders for the continued support and I thank the Board and our staff for their hard work and commitment to SCIB.

Thank you.

YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo Non-Independent Non-Executive Chairman

## MANAGEMENT DISCUSSION AND ANALYSIS

#### **Management's Discussion and Analysis**

The Management's Discussion and Analysis (MD&A) for Sarawak Consolidated Industries Berhad should be read in conjunction with the Company's Annual Report 2016 and the cautionary statement regarding forward-looking information in page 28 of this report.

#### Our principal activities and business operations

Sarawak Consolidated Industries Berhad ("SCIB") was founded in 1975 and has evolved from a small enterprise into a reputable Group of companies listed on the Main Market of Bursa Malaysia Securities Berhad.

The Group's core business is in the manufacturing and sale of precast concrete pipes, pre-stressed spun concrete piles, precast industrialised building system components ("IBS") and other related concrete products.

SCIB has become a much respected household name, a name synonymous with quality and service. With its commitment to quality, SCIB was awarded by SIRIM QAS ISO9001:2008 Quality Documentation System as well as product certification. With its strong brand name, SCIB gain trust and support from many housing developers and contractors in Sarawak besides being the sole Spun pile manufacturer and the largest industrialised building system of precast concrete components in East Malaysia.

Currently, SCIB operates three (3) factories in Kuching, Sarawak located in the Pending Industrial Estate and the Demak Laut industrial park with a capacity of 350,000 tonnes yearly. We have invested RM4.8 million this year for the manufacture of concrete pipe and beams which expanded our annual production capacity by 47,800 tonnes. The new plant is to cater for the expected increase in demand from the rolling out of the Pan Borneo Highway projects.

The group employs approximately 276 employees on a permanent basis assisted by 105 sub contract workers to effectively run our daily operations.

#### **Our vision**

Our vision is to be a company founded on excellence. We are dedicated to the creation and demonstration of a concept of linked prosperity.

#### Our mission include

- i) to operate the Company on sound management principles for growth and increasing values for our shareholders and creating career opportunities and financial rewards for our employees;
- ii) to make, distribute and sell the finest quality products in innovative and creative way while optimizing the utilization of resources; and
- iii) to operate the Company in a way that actively recognizes the central role that business plays in the structure of society by initiating innovative ways to improve the quality of life of a broad community

#### Our key markets

The group supply to all markets within Sarawak and parts of Sabah, Kalimantan and Brunei. We envisaged ourselves as the market leader in the geographical market we served. All our products such as pipes, piles, culverts, beams and other precast concrete IBS components are used extensively in infrastructure projects, commercial and industrial buildings and residential housing projects.

We pride ourselves on being forthright with our customers and in providing a positive working environment in which quality and efficiency are the norms. Ultimately our performance and our success will be judged by our customers. Hence we remained steadfast in our goal of building relationships beyond the normal supplier/customer affiliation. Instead we seek to build strategic partnerships with our customers and have them consider us as part of their business.

#### Our strengths and opportunities

We pride ourselves as a reputable manufacturer that offers our customers technical expertise, professional consultations and customized solutions. Our past records speak volumes of our branding and as the preferred supplier to most government projects especially in Sarawak.

We believe in our underlying strengths as described below:-

- i) The sole spun pile and IBS hollow core and Panel walls manufacturer in East Malaysia
- ii) Largest pipe manufacturer in East Malaysia
- iii) Our main products are SIRIM QAS ISO9001-2008 certified
- iv) An experienced and reliable in-house engineering design team
- v) A wharf facility for shipment across Borneo
- vi) A total solutions provider with a wide product range

We see ample opportunities for the group to reap arising from the government's policies to expand our economy, among others, are as follows:-

- i) Increased market acceptance and government support in IBS system
- ii) Shortage of labour encourage developers & contractors to opt for IBS system
- iii) Increase in government spending on infrastructure projects such as Pan Borneo Highway and SCORE projects
- iv) An improved market environment

#### **Our business strategies**

In 2016 the Group remains focused on increasing its production efficiency, managing its cost structure as well as intensify sales of our traditional products. However we fell short of our expectation of securing new IBS projects. In 2017 an allocation of RM5.6 million in new capital expenditure for the expansion of our beam and pipe plants and the upgrading of the existing plant was approved by our board. Going forward, we envisaged an improved margin due to the various cost saving initiatives and an improved production capacity and plant efficiency.

Our primary objectives and achievement for year 2016 are as follows:

2016 Strategic Objective	Performance till 31 Dec 2016	Status	
Gross revenue of RM87.97 million	RM57.03 million	Not achieved due to weak market amid the challenging economic condition	
15 new customers	98 new customers	Achieved	
Zero customer complaints	17 complaints	To improve	
Gross profit margin of 20%	14% gross profit margin	To improve	
Net profit margin of 3%	3% net profit margin	Achieved mainly due to gain from disposal of associate and reversal of impairment loss on trade receivables	

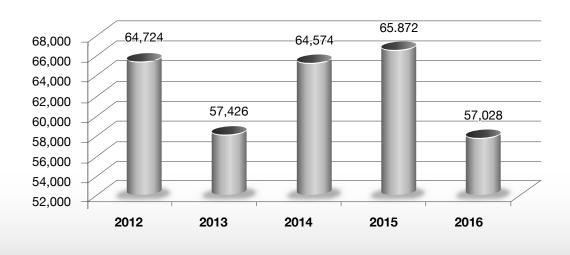

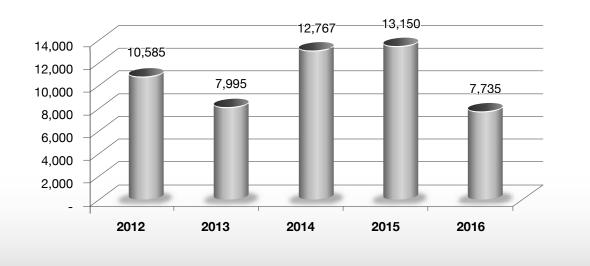

#### Our financial highlights for the past 5 financial years

#### Our financial performance for the year under review

#### Revenue

During the year under review, the continuing slowdown of economic activity amid price challenges resulted in a decrease in revenue by 13% or RM8.84 million to RM57.03 million for the year ended 31st December 2016. The manufacturing division being the key driver and largest contributor to the Group's revenue contributed approximately 99% of the Group's revenue or RM56.9 million as our construction and property divisions do not perform to expectations.

The impact of the slowdown has affected our IBS which registered a lower than expected revenue due to a lower sales volume for IBS products of only 5,179 tonnes as compared to 20,874 tonnes registered in 2015. The decrease in sales of IBS products was mainly due to the absence of new IBS projects compounded by most IBS projects having neared completion in 2016.

Our traditional business of supplying precast concrete products for infrastructure projects remained robust due in large part to the Pan Borneo Highway projects. We produced approximately 138,477 tonnes and sold approximately 131,926 tonnes respectively during the year.

SCIB has been proactive in anticipation of the reduction in business activity and has implemented measures to streamline its business, control costs and moved towards its Profit before tax goals of 3% of gross revenue. Actions included monitoring of employee hiring, control of travel and marketing expenses, reductions in percentage of salary increments and bonuses, except where critical. On the downside, the management has not been successful in disposing properties held for sale and the divestment of our roofing business.

#### **Gross profit**

As a result of the lower contribution from the sale of our IBS products, our gross profit margin contracted by 6%, from 20% for the year ended 31 December 2015 to 14% for the year ended 31 December 2016. Our traditional products also registered a reduction of 2% to 18% from a 20% margin in 2015 due to price challenges of certain products.

#### Net profit before tax

Net profit before tax increased by RM1.36 million to RM1.59 million in 2016 as compared to a profit before tax of RM233,857 reported in the preceding year primarily due to a net reversal of impairment losses on trade receivable and recognition of gain on disposal of an associate company amounting to RM1.70 million and RM3.57 million respectively.

#### Major changes in financial position

#### **Total assets**

Our Total assets increased by 10% or RM8.54 million to RM92.89 million.

#### Non-current assets

Our non-current assets dropped by RM3.47 million to RM40.64 million mainly due to disposal of our associate company with book value of RM1.76 million and recognition of depreciation charges of RM4.4 million which was mitigated by capital expenditure of RM2.16 million for new beam and pipe plant and an increase in other assets by RM527,000.

On 25 November 2016, SCIB's wholly owned subsidiary, SCIB Properties Sdn. Bhd. entered into a Share Sale Agreement ("SSA") with KTS Properties & Construction Sdn. Bhd. ("KTS") for divestment of its entire 40% equity interest in Influx Meridian Sdn. Bhd. ("IMSB") to KTS for a total sale consideration of RM5,000,000. The rationale behind the disposal of the associate company is mainly because IMSB has indefinitely delayed the development project due to softening of the high end residential market and escalating costs. The investment is not expected to contribute immediate earnings to the Group and huge capital injection from shareholders is required in order to proceed with the development. As such, SCIBP recognized that it would not have the capacity to raise or borrow funds to finance the aforesaid. The divestment provides SCIB Group an opportunity to liquidate non-revenue generated assets at this point of time, while utilizing the proceeds to improve the Group's financial standing.

#### **Current assets**

Our current assets increased by 30% or RM12 million to RM52.25 million attributed mainly to an increase in inventories by 12% or RM2.1 million and an increase in cash and bank balances by RM8.5 million.

The increase in cash & bank balances was mainly due to sale proceeds of RM5 million received from the disposal of associate company and repayment of long outstanding trade receivables which resulted in a gain on disposal of associate company of about RM3.57 million and reversal of impairment losses on trade receivables of about RM3.78 million in the last quarter of the year.

#### **Total liabilities**

Total liabilities increased by RM6.95 million or 20% attributed mainly to an increase in Trade payables by 29% or RM3.16 million and Borrowings by 22% or RM4.32 million.

We took positive steps to address market needs through the purchase of raw materials optimizing production and building up inventories to cater for anticipated demand and also the increase in creditors' turnover period.

During the year under review, revolving credit facilities totalling to RM8.79 million was drawdown for working capital requirement as well as for expansion of plant albeit mitigated by repayment of RM4.08 million made during the year.

#### **Risks**

The Group and the Company are exposed to financial risks arising from their operations and the use of financial instruments. The key financial risks comprise credit risk and liquidity risk and further details are disclosed below.

#### Credit risks

The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including cash and bank balances), the Company minimises credit risk by dealing exclusively with high credit rating counterparties. An impairment loss of RM2.08 million and a reversal of RM3.78 million on trade and other receivables were recorded during the year. Though our average debtors' collection period has increased to 133 days, our management is confident that these debts are collectible as most of the debtors are our long-term active customers. We believe ample steps have been taken to assess and manage those credit risks in 2016.

#### Liquidity risks

The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of our stand-by revolving credit facilities of up to the limit of RM19 million which gives net cash inflow of RM8.79 million during the year under review. We believed we have managed this risk well.

As far as practicable, the Group will constantly raise committed funding from both capital markets and financial institutions and prudently balance its portfolio with same short term funding so as to achieve overall cost effectiveness.

#### Interest rate risk

The Group's and the Company's exposure to market risk for changes in interest rate environment relates mainly to its loans and borrowings. 4% of our borrowings are fixed-rated while the rest are charged at 0.5% to 1.0% above the respective banks' BFR.

Baring any further increase in the banks' BFR, we do not foresee that the group will be greatly affected by an increase in interest rate.

#### Risks inherent in the infrastructure and construction industries

By virtue that the Group is involved in the manufacturing of precast concrete products and IBS components for use in the infrastructure and construction industries, we are exposed and will be affected by the inherent risk factors such as risks arising from changes in government policies, legislation and regulations affecting the infrastructure and construction industries, risk relating to changes in political, social and economic conditions and competition and/or business risks. However, the Board through the Risk Management Committee have undertaken the necessary measures and instil effort to mitigate the various risks identified.

#### **Operational risks**

In running the day to day business, the operational risks arise includes shortages of raw materials, price uncertainties of raw materials, factory productivity and efficiency, labour shortage, machines downtime, skill and competency of the Company's employees and quality of products and services.

A Risk Management Working Group was set up and has met numerous times to identify, address and manage those risks that are deemed critical and will greatly affect the daily operations of our factories. The said committee will also review the effectiveness of the actions taken to mitigate those risks and recommend further steps where and when required. Management is of the opinion that the operational risks are properly mitigated to a minimum level.

#### **Future outlook**

SCIB expects a weaker market during the 1st half of 2017 owing to budget cuts and prioritization of projects from the Government and private sectors, thereby shelving and delaying the commencements of certain projects in Sarawak. The increases in steel prices and logistics costs during the 1st quarter of 2017 will affect pricings and ultimately margins of contractors and manufacturers alike, further creating uncertainty. As a result, we foresee a reduction in demand for our products especially our IBS components in 2017. Despite this, we expect our traditional products to perform well due to the uptake from the Pan Borneo Highway, SESCO and other government and private projects coupled with the expansion of SCIB production's capacity for beam and pipes.

Notwithstanding the above, the Company's financial performance will benefit from our order book of RM30 million entering 2017 and from our acquisition of Carlton Gardens Sdn. Bhd. ("CGSB") together with a supply & installation contract for a housing project in Beaufort, Sabah. This is expected to bring in higher revenue to the Group in 2017.

With the recent slowdown in sales and increase in trade receivables and increase in debtors' turnover period, the group might face reductions in monthly cash collection which will result in an increase working capital requirement. However, this will be mitigated through the corporate proposals announced recently which is still awaiting the necessary approvals.

Going forward SCIB, being the largest manufacturer of precast concrete IBS components in Sarawak will definitely benefit from the Government's push on IBS usage in Malaysia considering its benefits of reduced manpower at site, improved speed and quality-assured factory production. With the CGSB's Acquisition, SCIB has successfully positioned itself to deliver growth from market opportunities in Sabah. Our goal in creating value and growth will be assisted by this expanded market coverage and increased production capacity that will position SCIB to meet future demand of precast concrete.

## STATEMENT ON CORPORATE GOVERNANCE

#### INTRODUCTION

Sarawak Consolidated Industries Berhad ("SCIB" or "the Company") supports high standards of corporate governance as stipulated in the Principles and Recommendations set out in the Malaysian Code on Corporate Governance 2012 ("the Code"). SCIB develops and maintains sound policies and practices as a fundamental part of the Board of Directors' ("Board") responsibility to promote and drive long term sustainable growth. The Board, Management and staff of SCIB remain steadfast and focused in ensuring the highest level of corporate governance taking into account the interests of the investors and all other stakeholders.

The Board is guided by and mindful of the Principles and Recommendations of the Code. The Group will continue to uphold corporate governance practices and endeavor to ensure that the prescriptions of the Principles and Recommendations of the Code are supported and implemented, where applicable and appropriate. The following sections outline the Group's good governance policies and practices.

#### (A) BOARD OF DIRECTORS

#### **Board Balance and Independence**

For the financial year ended 31 December 2016, the Board consists of five (5) members, of whom all are Non-Executive Directors. The Company's Chief Executive Officer, Tuan Haji Zaidi Bin Haji Ahmad is responsible for all day-to-day management and for leading the development and execution of the Company's long and short term plans. The Chief Executive Officer acts as a direct liaison between the Board and the Management and communicates on behalf of the Company to the Board, shareholders, employees, Government Authorities and other stakeholders. For the financial year ended 31 December 2016, the Board comprises the following Directors:

No.	Name	Designation
1	YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo	Non-Independent Non-Executive Chairman
2	YBhg. Datu Ir. Haji Mohidden Bin Haji Ishak	Independent Non-Executive Director
3	Tuan Haji Soedirman Bin Haji Aini *	Independent Non-Executive Director
4	Mr. Lim Nyuk Foh **	Non-Independent Non-Executive Director
5	Encik Shamsul Anuar Bin Ahamad Ibrahim	Independent Non-Executive Director
6	Encik Rewi Hamid Bugo	Non-Independent Non-Executive Director

<sup>\*</sup> Re-designated to Independent Non-Executive Director on 19 May 2016

Currently, the Board consists of five (5) Non-Executive Directors out of which three (3) are Independent Directors.

The members of the Board possess wide-ranging experiences, skills and expertise in accounting, economics, engineering and business management and are persons of high caliber and integrity, which give added strength to the leadership which is necessary for the effective stewardship of the Group.

Three (3) of the Independent Non-Executive Directors fulfill the criterias of independence as defined in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("BMSB"). Encik Shamsul Anuar Bin Ahamad Ibrahim is the Independent Director duly identified by the Board to whom concerns or queries concerning the SCIB Group may be conveyed to.

The Board views that Board membership is dependent on each candidate's skills, experience, core competencies and other qualities, regardless of gender. The Board does recognize the value of woman member in the Board and will continue to assess the needs to adopt a gender diversity policy or target in due course.

<sup>\*\*</sup> Vacated office on 31 December 2016

The Group's Independent Non-Executive Directors do not engage in the day-to-day management of the Company and do not participate in any business dealings and are not involved in any other relationship with the Company. This ensures that the Independent Non-Executive Directors remain free of conflict of interest situations and carry out their roles and responsibilities as Independent Directors effectively.

The Company is not in compliance with Recommendation 3.5 of the Code which stipulates that the Board should comprise a majority of independent directors where the Chairman of the Board is not an independent director. Although the Chairman is not an independent director, he is non-executive and is not involved in the day-to-day management of the Group. There is a clear separation of roles and powers of the Chairman and the Management. The Remuneration and Nomination Committee upon assessment of the Board's size and composition was satisfied that the Board's size is appropriate given the scale of the Group's business and operations and the composition well balanced with the right mix of knowledge, skills and attributes constituting an effective Board able to discharge its duties professionally and efficiently.

#### **Directors' Code of Ethics**

The Directors observed a code of ethics in accordance with the code of conduct as set out in the Company Directors' Code of Ethics established by the Companies Commission of Malaysia.

#### Roles and Responsibilities of the Board

The Board Members, in discharging their duties are constantly mindful that the interests of our customers, investors and all other stakeholders are well safeguarded.

The Board is responsible for formulating and reviewing the Company's strategic plan and key policies, and to chart the course of the Company's business operations while providing effective oversight of the Management's performance as well as the risk management procedures and key controls.

The principal responsibilities of the Board include the following:

- Formulates the Company's annual business plan and the medium-term and long-term strategic plans;
- Approves the Company's annual budget and carries out periodic review of the progress made by the various operating divisions against their respective business targets;
- Prescribes the minimum standards and establishes policies on the management of credit risks and other key areas of the Company's operations;
- Oversight of the Company's business operations and financial performance;
- Ensures the operating infrastructure, system of controls, systems of risk management, financial controls and operational controls, are in place and properly implemented; and
- Undertakes various functions and responsibilities as required from time to time.

In furtherance, the Board also delegated specific tasks to the Board Committees namely the Audit Committee, Remuneration and Nomination Committee and Risk Management Committee. All the Board Committees have their own terms of reference to deal with particular issues and report back to the Board with the necessary recommendation, if any. The ultimate approval still lies with the entire Board. Certain Board functions are also delegated to the Management and the Board ensures Management is of the highest caliber.

The Independent Non-Executive Directors play a significant role in bringing impartiality and scrutiny to the Board's deliberations and decision-making, and also serve to stimulate and challenge the Management in an objective manner. To further enhance the function of the Independent Non-Executive Directors, the Board has also defined their roles and responsibilities to include the following:

- Provides independent and objective views, assessment and suggestions in deliberations of the Board;
- Ensures effective check and balance in the proceedings of the Board;
- Mitigates any possible conflict of interest between the policy-making process and day-to-day management of the Company; and
- Constructively challenge and contribute to the development of the business strategies and direction of the Company.

The Directors are at liberty to seek independent professional advice on matters relating to the discharge of their duties. The cost of securing such professional services will be borne by the Company.

#### **Board Meetings and Supply of Information**

Board meetings for the ensuing financial year are scheduled in advance before the end of the current financial year to facilitate the Directors to plan ahead and organise the next year's Board meetings into their respective schedules.

The Board holds meetings of no less than four (4) times a year as soon as the Company's quarterly and annual results are finalised in order to review and approve the results for submission to Bursa Malaysia Securities Berhad and Securities Commission. Special Board meetings may be convened to consider urgent proposals or matters that require the expeditious review or consideration by the Board. Details of the number of Meetings held and the attendance of each Director can be found in the Report on Directors' and Chief Executive Officer's Profile in this Annual Report.

At the Board meetings, the Board reviews management reports on the business performance of the Company as well as the major subsidiaries, and reviews, inter-alia, the results compared to the preceding month and year-to-date, and also the comparison against pro-rated business targets. As part of the integrated risk management initiatives, the Board also notes the decisions and salient issues deliberated by the Board Committees and main Management Committees through minutes of these Committees' meetings. The Board Members deliberate, and in the process, assess the viability of business propositions and proposals, and the principal risks that may have significant impact on the Company's business or on its financial position, and the mitigating factors. The Board also assesses various types of credit propositions and matters that are required to be submitted to the Board for concurrence or approval, in accordance with the guidelines issued by the Board.

The Chairman of the Audit Committee would inform the Directors at Board meetings, of any salient matters noted by the Audit Committee and which require the Board's notice or direction. To facilitate productive and meaningful deliberations, the proceedings of the Board meetings are conducted in accordance to a structured agenda. For effective Board proceedings, the Directors would receive the structured agenda together with comprehensive management reports and proposal papers at least three (3) days before the Board meeting. This is to accord sufficient time for the Directors to peruse the Board papers and to seek any clarification or further details that they may need from the Management or the Company Secretary, or to consult independent advisers, if they deem necessary. Confidential papers or urgent proposals are presented and tabled at the Board meetings under supplemental agenda. The Board meeting papers are prepared and presented in a concise and comprehensive format to ensure that the Directors have a complete and relevant depiction of the issues in order that the Board deliberation and decision-making are performed systematically and in a well-informed manner.

The directors remain fully committed and dedicated in fulfilling their duties and responsibilities as reflected by their attendance at Board meetings during the financial year.

#### Training and Development of Directors

All directors have attended the Mandatory Accreditation Programme ("MAP") assigned by BMSB. The members of the SCIB Board have continued to attend seminars and briefings during the financial year in order to enhance their skills and knowledge, and to keep abreast with changing commercial risks in line with market and economic developments. The Board of Directors are also provided with the Board Policy Manual that contained information including but not limited to the structure of the Group, management and the operation as well as the Directors' duties and obligations. The Directors also keep up-to-date with market developments and related issues through discussion meetings with the other Senior Management Officers. These provide the platforms to disseminate emergent strategic directions and ideas as well as intellectual interactions which enhance the knowledge and relevance of the Directors. The Company Secretary facilitates the organisation of internal training programmes and Directors' attendance in external programmes, and keeps a complete record of the training received or attended by the Board of Directors. The details of directors' training participated during the financial year are highlighted in the Directors' and Chief Executive Officer's Profile report herein this Annual report.

#### **Time Commitment of Directors**

Directors are at liberty to accept other board appointments so long as such appointments are not in conflict with the business of the Group and do not adversely affect the Directors' performance and contributions as a member of the Board and Board Committee.

#### Re-Appointment and Re-Election of Directors

The Remuneration and Nomination Committee will consider and recommend to the Board for the continuation in service of those Directors who are due for re-election/re-appointment.

At the 40<sup>th</sup> annual general meeting of SCIB held on 30 May 2016, YBhg. Tan Sri Datuk Amar (Dr) Hamid Bin Bugo who is above the age of 70 years was re-appointed pursuant to Section 129(6) of the Companies Act, 1965 to hold office until the conclusion of the 41st annual general meeting of SCIB.

His term of office will end at the conclusion of the 40th annual general meeting of the Company. YBhg. Tan Sri Datuk Amar (Dr) Hamid Bin Bugo has offered himself for re-appointment. With the enforcement of the first phase of Companies Act 2016 on 31 January 2017, the Companies Act 1965 is repealed. Pursuant to the Companies Act 2016, there is no maximum age limit for directors.

The Board has recommended that YBhg Tan Sri Datuk Amar (Dr) Hamid Bugo be re-appointed to continue in office as a director. The resolution if passed at the forthcoming Annual General Meeting will enable YBhg. Tan Sri Datuk Amar (Dr) Hamid Bin Bugo to continue in office and shall be subject to retirement by rotation in accordance with the Company's Articles of Association.

The Articles of Association of SCIB provide that at every annual general meeting of SCIB, one-third of Directors for the time being and those appointed during the financial year shall retire from office and shall be eligible for re-election. The Articles further provide that all Directors shall retire from office once at least in each three (3) years but shall be eligible for re-election. The re-appointment and re-election of Directors at the annual general meeting of SCIB is subject to the prior assessment by the Remuneration and Nomination Committee and the recommendations thereafter submitted to the Board for approval or the Director concerned to continue to hold office.

The Board does not fix a maximum tenure limit for Directors as the Board is of the view that there are significant advantages to be gained from the long-serving Directors who possess tremendous insight and knowledge of the Company's affairs. The Board is of the view that there is no need to set a time-frame on how long an Independent Director should serve on the Board in view of the following reasons:

- The ability of a Director to serve effectively as an Independent Director is very much a function of his calibre, qualification, experience and personal qualities, and has no compelling relationship to his tenure as an Independent Director; and
- The Board conducts annual assessment of Independent Directors in respect of inter-alia their skills, experience
  and contributions, and whether the Independent Directors are able to discharge their duties with unbiased
  judgement.

#### (B) BOARD COMMITTEES

To assist the Board in discharging its duties, the Board has established several Board Committees whose compositions and terms of reference are in accordance with the best practices prescribed by the Code. The functions and terms of reference of Board Committees and Management Committees, as well as authority delegated by the Board to these Committees, have been approved by the Board, and are reviewed from time to time to ensure that they are relevant and up-to-date.

The Board Committees of SCIB are as follows:

- Remuneration & Nomination Committee
- Audit Committee
- Risk Management Committee

Details of the Board members' participation in the various Board Committees are set out below:-

Directors	Audit Committee	Remuneration and Nomination Committee	Risk Management Committee
YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo	-	Chairman	-
YBhg. Datu Ir. Haji Mohidden Bin Haji Ishak	Member	Member	Member
Tuan Haji Soedirman Bin Haji Aini	-	-	Chairman
Encik Shamsul Anuar Bin Ahamad Ibrahim	Chairman	Member	Member
Encik Rewi Hamid Bugo	Member	-	Member

All proceedings, matters arising, deliberations in terms of the issue discussed, and recommendations made by the Board Committees at the Committees' meetings are recorded in the minutes by the Company Secretary, confirmed by the Board Committees, signed by the Chairman of the said Committees. Upon invitation, Management representatives were present at the Board Committees' meetings to provide additional insight into matters to be discussed during the said committee meetings, if so required.

All the Board Committees do not have executive powers but to report to the Board on all matters considered and their recommendations thereon. The Board has approved the terms of reference of each Committee, and where applicable, these comply with the Recommendations of the Code.

The salient terms of reference and frequency of meetings of the Board Committees are as follows:

#### • Audit Committee

- The terms of reference of the Audit Committee are set out under the Audit Committee Report in this Annual Report; and
- The Audit Committee meets at least four (4) times a year.

#### • Remuneration and Nomination Committee

- The terms of reference of the Remuneration and Nomination Committee are set out in the paragraph on "Appointment of Board Members and Terms of Reference of the Remuneration and Nomination Committee" in this Statement on Corporate Governance; and
- The Remuneration and Nomination Committee meets as and when required, and at least once a year.

#### • Risk Management Committee

- Oversees the overall management of all risks covering market risk management, liquidity risk management, credit risk management and operational risk management;
- Reviews and approves risk management policies and risk tolerance limits;
- Ensures infrastructure, resources, processes and systems are in place for risk management; and
- The Risk Management Committee holds at least four (4) meetings a year.

#### Appointment of Board Members and Terms of Reference of Remuneration and Nomination Committee

The Remuneration and Nomination Committee will recommend candidates for all directorships to be filled to the Board. The new Directors will undergo a familiarisation programme, which includes presentation of an overview of the Group's profile, products, factories and track records to facilitate the new Directors' understanding of the SCIB Group. The Company Secretary will ensure that all appointments of new Director are properly carried out and all legal and regulatory obligations are met.

The Remuneration and Nomination Committee comprises three (3) Non-Executive Directors, the majority of whom are independent. Meetings of the Remuneration and Nomination Committee are held as and when required, and at least once a year.

The Remuneration and Nomination Committee will recommend the proposed appointment of a new Director and the re-appointment of Directors upon the expiry of their respective tenures of office for approval of the Board. The Remuneration and Nomination Committee will evaluate the person's ability to discharge such responsibilities/functions as expected from an Independent Non-Executive Director, and whether a Director is independent as defined in the guidelines issued in the Main Market Listing Requirements of BMSB.

The terms of reference of the Remuneration and Nomination Committee are as follows:

- To establish the minimum requirements on the skills, knowledge, expertise, experience, qualifications and other core competencies of a Director and Senior Management;
- To assess and recommend to the Board technically competent persons of integrity with strong sense of professionalism for appointment as Directors;
- In the case of persons for the position of Independent Non- Executive Director, to evaluate the persons' ability to discharge such responsibilities/functions as expected from Independent Non-Executive Directors;
- To assess and recommend to the Board, the re-appointment of Directors upon the expiry of their respective terms of appointment;
- To oversee the overall composition of the Board in terms of appropriate size, required mix of skills, experience and core competencies, and adequacy of balance between Executive Directors, Non-Executive Directors and Independent Directors through annual review;
- To determine annually whether a Director is independent as may be defined in the guidelines as stated in the Main Market Listing Requirements of BMSB;
- To establish the mechanisms for the formal assessment on the effectiveness of the Board as a whole, the effectiveness and performance of each Director. The annual assessment to be conducted would be based on objective performance criteria as approved by the Board;
- To ensure that all Directors receive appropriate continuous training programmes in order to broaden their perspectives and to keep abreast with developments in the market place and with changes in new statutory and regulatory requirements;
- To recommend to the Board the removal of a Director if he is ineffective, errant or negligent in discharging his responsibilities;
- To oversee the appointment, management succession planning and performance evaluation of the key Senior Management Officers;
- To recommend to the Board the removal of key Senior Management Officers if they are ineffective, errant or negligent in discharging their responsibilities;
- To assess and recommend to the Board, the terms of reference of Board Committees and to review the adequacy of committee structure of Board Committees;
- To review annually and recommend to the Board the overall remuneration policy for Directors and key Senior Management Officers to ensure that rewards commensurate with their contributions to the Company's growth and profitability, and that the remuneration policy supports the Company's objectives and shareholder value and is consistent with the Company's culture and strategy;
- To review annually the performance of the Executive Directors and recommend to the Board specific adjustments in remuneration and/or reward payments if any, reflecting their contributions for the year; and which are competitive and consistent with the Company's objectives, culture and strategy;
- To ensure that the level of remuneration for Non-Executive Directors and Independent Directors are linked to their level of responsibilities undertaken and contributions to the effective functioning of the Board;
- Keeps abreast of the terms and conditions of service of the Executive Directors and key Senior Management
  Officers including their total remuneration package for market comparability, and reviews and recommends
  changes to the Board whenever necessary;
- Keeps abreast of the remuneration packages for Members of Board Committees to ensure that they
  commensurate with the scope of responsibilities held and reviews and recommends changes to the Board
  whenever necessary; and
- To carry out such other responsibilities as may be specified by or delegated by the Board from time to time.

The Remuneration and Nomination Committee upon its recent annual review carried out, was satisfied that the size of the Board is optimum and that there is appropriate mix of knowledge, skills, attributes and core competencies in the composition of the Board. The Remuneration and Nomination Committee was satisfied that all the members of the Board are suitably qualified to hold their positions as Directors in view of their respective academic and

professional qualifications, experience and qualities. Furthermore, all the Directors have been assessed as complying with the standards for "fit and proper" criteria. The Independent Directors had also been assessed as complying with the definition of Independent Director as defined in the Main Market Listing Requirements of BMSB.

The Remuneration and Nomination Committee had also reviewed the Board Members' directorships in companies other than SCIB; the number of directorships held are well within the restriction of not more than five (5) directorships in public listed companies as stated in the Main Market Listing Requirements of BMSB.

All assessments and evaluations carried out by the Remuneration and Nomination Committee in the discharge of all its functions shall be properly documented. The Remuneration and Nomination Committee and the Board shall assess the independence of all independent directors annually.

The Remuneration and Nomination Committee carries out the annual review of the overall remuneration policy for Directors and key Senior Management Officers whereupon recommendations are submitted to the Board for approval. The Remuneration and Nomination Committee and the Board ensure that the Company's remuneration policy remains supportive of its corporate objectives and is aligned with the interest of shareholders, and further that the remuneration packages of Directors and key Senior Management Officers are sufficiently attractive to draw in and to retain persons of high calibre. The Remuneration and Nomination Committee reviews annually the performance of the Executive Directors and submits recommendations to the Board on specific adjustments in remuneration and/or reward payments that reflect their respective contributions for the year, and which are competitive and are in tandem with the Company's corporate objectives, culture and strategy. The Board as a whole determines the remuneration of Non- Executive Directors, and each individual Director abstains from the Board decision on his own remuneration.

The Directors are paid annual fees and attendance / meeting allowance for each Board meeting that they attend. The disclosure of the remuneration of the Executive Directors and Non-Executive Directors of the Group for the financial year ended 31 December 2016 is set out in Note 11 of the Notes to the Financial Statements of this Annual Report.

#### (C) COMPANY SECRETARY

The Company Secretary is qualified secretary as required pursuant to the Malaysian Companies Act 2016. The Company Secretary is a fellow member of the Malaysian Association of Institute of Chartered Secretaries and Administrators (MAICSA). She is competent in carrying out her work and plays supporting and advisory roles to the Board with the assistance of the Management. She ensures adherence and compliance to the procedures and regulatory requirements from time to time.

#### (D) SHAREHOLDERS AND INVESTORS' RELATIONS

We maintain a regular policy of disseminating information that is material for shareholders' information via announcements made to Bursa Malaysia Securities Berhad ("BMSB"). In compliance with the Main Market Listing Requirements of BMSB, the Company also releases timely financial information on a quarterly basis, which includes an overview of the performance of SCIB Group.

In addition, the Company also put in place electronic facility to enable communication with shareholders via its website <a href="www.scib.com.my">www.scib.com.my</a>. Shareholders can access to and obtain all information (operational, financial, corporate governance and investor relations aspects) on SCIB Group by accessing this website. All announcements made by the Company and information that are relevant to the shareholders and investors are available in this website.

The Annual General Meeting ("AGM") is the principal forum for dialogue with shareholders who are encouraged and given sufficient opportunity to enquire about the Group's activities and prospects as well as communicate their expectations and concerns. Each item of special business included in the Notice of Annual General Meeting will be accompanied by an explanatory statement for the proposed resolution to facilitate evaluation of the proposed resolution.

Encik Shamsul Anuar Bin Ahamad Ibrahim is the appointed Independent Director to whom concerns may be conveyed to.

# STATEMENT ON CORPORATE GOVERNANCE (contd.)

Shareholders are encouraged to put forward their questions on the proposed resolutions tabled at the general meetings. Members of the Board, the external auditors, senior management and/or advisers of the Company are present to answer queries raised at the general meetings.

Pursuant to paragraph 8.29A(1) of the Main Market Listing Requirements of BMSB, the company is required to ensure that any resolution set out in the notice of general meetings is voted by poll. Hence, all the resolutions be tabled at the forthcoming 41st AGM to be held on 31 May 2017 will be voted by way of a poll. The shareholders will be briefed on the voting procedures while the results of the poll will be verified by an Independent Scrutineer.

#### (E) ACCOUNTABILITY AND AUDIT

#### Financial Reporting

The Directors aim to present a clear, balanced and understandable assessment of SCIB Group's financial position, performance and prospects in presenting its annual financial statements and quarterly announcements to shareholders. These financial statements are drawn-up in accordance with the provisions of the Companies Act 1965, Malaysian Financial Reporting Standards ("MFRS") and International Financial Reporting Standards and are reviewed by the Audit Committee prior to approval by the Board. In compliance with statutory requirements, the annual accounts are subjected to audit by an independent external auditor.

#### Risk Management and Internal Control

The Board acknowledges their responsibility for SCIB Group's system of risk management and internal control, which is designed to identify and manage the risks of the businesses of SCIB Group, in pursuing of its objectives. The system of risk management and internal control spans over financial, operational and compliance aspects, particularly to safeguard SCIB Group's assets and hence shareholders' investments. In executing this responsibility, the Board via the Audit Committee and the in-house internal audit department, has adopted procedures to monitor the ongoing adequacy and integrity of the system of risk management and internal control.

Information on SCIB Group's system of risk management and internal control is presented in the Statement on Risk Management and Internal Control in this Annual Report.

#### Relationship with the Auditors

The external auditors, Messrs. Ernst & Young have been independent throughout the conduct of the audit engagement in accordance with the terms of all relevant professional and regulatory requirements. There have not been any non-audit services that have compromised their independence as external auditors of SCIB.

Messrs. Ernst & Young and the audit team are competent in carrying out their work and they have the necessary audit experience in the industry in which SCIB Group operates. Messrs. Ernst & Young are registered with Audit Oversight Board.

Through the Audit Committee, SCIB Group has established a formal and transparent relationship with the external auditors.

#### (F) SUSTAINABILITY

The Group is committed to operate its business in accordance with environmental, social and economic responsibility.

The Company recognizes the importance of environment in which it operates in and place its best effort to become an environmentally responsible corporate citizen. Further details can be found in the Report on Corporate Social Responsibility of this annual report.

(This Statement on Corporate Governance is made in accordance with a resolution of the Board of Directors dated 27 March 2017)

# STATEMENT OF DIRECTORS' RESPONSIBILITY

The Board of Directors is required under the Main Market Listing Requirements of BMSB, to issue a statement explaining their responsibility for preparation of the annual audited financial statements.

The Directors are also required by the Companies Act 1965 to prepare financial statements for each financial year which gives a true and fair view of the financial position of the Group and of the Company as at the financial year end and their financial performance and the cash flows for the financial year then ended.

The Directors considered that in preparing the financial statements of the Group and the Company for the financial year ended 31 December 2016 contained in this Annual Report, the Group has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgment and estimates. The Directors also considered that all Malaysian Financial Reporting Standards and International Financial Reporting Standards have been followed and confirmed that the financial statements have been prepared on a going concern basis.

The Directors are responsible for ensuring that the Group and the Company keeps accounting records which disclose with reasonable accuracy at any time the financial position of the Group and the Company which enable them to ensure that the financial statements comply with the provisions of the Companies Act 1965.

(This Statement of Directors' Responsibility is made in accordance with a resolution of the Board of Directors dated 27 March 2017)

# **AUDIT COMMITTEE REPORT**

#### **COMPOSITION**

The Audit Committee ("AC" or "Committee") comprises the following Directors:

Encik Shamsul Anuar Bin Ahamad Ibrahim Chairman/Independent Non-Executive Director

YBhg Datu Ir Haji Mohidden Bin Haji Ishak Member/Independent Non-Executive Director

Encik Rewi Hamid Bugo Member/Non-Independent Non-Executive Director

#### **TERMS OF REFERENCE**

#### **Objectives**

The Committee shall give assurance to the shareholders of Sarawak Consolidated Industries Berhad ("Company") that compliance with specified financial standards and disclosure policies developed and administered by Bursa Malaysia Securities Berhad are being adhered to. In addition, the Committee shall assure that certain standards of corporate responsibility, integrity and accountability to the Company's shareholders are being inculcated in the duties and responsibilities of the Board of Directors of the Company.

#### Composition

The Committee shall be appointed by the Board of Directors and shall consist of not less than three (3) members, all of whom shall be non-executive directors. The majority of the Committee members shall be independent directors.

The Chairman of the Committee shall be approved by the Board of Directors and shall be an independent non-executive director.

#### **Meetings and Quorum**

Meetings shall be held not less than four (4) times a year. The Committee may invite any person to any particular Audit Committee meeting, specific to the relevant meeting. A quorum shall consist of two (2) members. The majority shall be independent directors.

#### **Authority**

- a. The Committee is authorized by the Board of Directors to investigate any activities within its terms of reference, having full and unrestricted access to any information pertaining to Sarawak Consolidated Industries Berhad and its group of companies ("Group").
- b. The Committee shall have the necessary resources which are required to perform its duties and shall have direct communication channels with the external auditors, person(s) carrying out the internal audit function or activity and independent professional advice if it considers necessary.
- c. The Committee shall, upon request of the external auditor, convene meeting of the Audit Committee, excluding the attendance of the Executive Directors if deemed necessary, to consider any matter the external auditor believes should be brought to the attention of the Board of Directors or shareholders.

#### **Duties & Responsibilities**

The duties and responsibilities of the Committee shall be to review:

a. with the external and internal auditors: the audit plans, scope of the audits, the audit reports – management letters, major findings and Management's responses thereof, and the evaluation of the Group's risk management and internal control system;

# **AUDIT COMMITTEE REPORT (contd.)**

- b. the assistance given by the Group's employees to both the external and internal auditors;
- c. the effectiveness of the system of internal control, including the adequacy of the scope, functions and resources of the internal audit function, and that it has the necessary authority to carry out its work;
- d. the audit fees proposed by the external auditors;
- e. the performance of the external auditors and to make recommendations to the Board of Directors on their appointment and removal;
- f. the appointment, replacement and dismissal of the Chief Internal Auditor;
- g. the performance and remuneration of the internal auditors;
- h. the quarterly and annual financial statements of the Company and the Group for recommendation to the Board of Directors for approval, focusing particularly on:
  - Changes in or implementation of new accounting policies and practices;
  - Significant adjustments arising from the audit:
  - The going concern assumption; and
  - Compliance with the applicable approved accounting standards and other legal and regulatory requirements;
- i. the adequacy and effectiveness of risk management, internal control and governance systems instituted in the Company and the Group;
- j. any related party transactions ("RPT") that may arise within the Company and the Group;
- k. to verify the allocation of options to employees under the relevant criteria imposed by the Company's Share Option Scheme; and
- I. any other functions as may be agreed to by the Committee and the Board of Directors, or as may be required or empowered by statutory legislation or guidelines issued by the relevant governing authorities.

#### **AC ACTIVITIES DURING THE YEAR**

The following activities were carried out by the Committee during the 12-month period ended 31 December 2016 in discharging its duties and functions:

#### a. Attendance of Meetings

Five (5) Audit Committee meetings were held during the 12-month period ended 31 December 2016, namely on 24 February 2016, 30 March 2016, 23 May 2016, 24 August 2016 and 21 November 2016 respectively. The details of attendance of each member at the Audit Committee meetings are as follows:

Composition and Name of Committee Member	Number of Meetings Attended During the Period Under Review
Encik Shamsul Anuar Bin Ahamad Ibrahim Chairman/Independent Non-Executive Director	5/5
YBhg Datu Ir. Haji Mohidden Bin Haji Ishak Member/Independent Non-Executive Director	5/5
Encik Rewi Hamid Bugo Member/Non-Independent Non-Executive Director	4/5

#### b. Financial Reporting

Reviewed the interim and annual financial statements of the Company and the Group prior to recommending them for approval by the Board of Directors.

# **AUDIT COMMITTEE REPORT (contd.)**

#### c. Internal Audit

- i. Reviewed the audit plan to ensure adequate scope and coverage on the activities of the Company and the Group, taking into consideration the assessment of key risk areas; and
- ii. Reviewed the internal audit reports, audit recommendations made and Management's responses thereof. Where appropriate, the Committee has directed action to be taken by Management to rectify and improve the risk management and internal control system and procedures, based on internal audit's recommendations and suggestions for improvement.

#### d. External Audit

- i. Reviewed the external auditors' scope of work and audit plan for the year;
- ii. Reviewed with external auditors the results of the audit and the audit report in particular, and accounting issues and significant audit adjustments arising from the external audit; and
- iii. Evaluated the performance of the external auditors and made recommendations to the Board of Directors on their appointment and remuneration.

#### e. Risk Management

Reviewed the risk management activities and the adequacy and effectiveness of risk management, internal control and governance systems instituted in the Company and the Group.

#### f. Related Party Transaction (RPT)

Reviewed the related party transactions entered into by the Company and the Group, on a quarterly basis.

#### INTERNAL AUDIT FUNCTION

The Committee is supported by Internal Audit in the discharge of its duties and responsibilities. The role of Internal Audit is to undertake independent regular and systematic reviews of the risk management and internal control system so as to provide reasonable assurance that such system continues to operate satisfactorily and effectively.

The internal audits cover the review of the adequacy of operational control, risk management, compliance with established internal financial policies and operational procedures and guidelines, amongst others. A risk based approach is adopted for all audits. The audits ensure that the instituted control is appropriate, effectively applied and achieves acceptable risk exposures consistent with the Group's risk management policy.

In particular Internal Audit has, under the remit of the Committee, conducted internal audits and submitted four (4) quarterly reports on the internal audit work performed on operating units, encompassing the various areas of operations, including Pending, IBS, SPDL and Roofing operations, and ISO 9001: 2008 Quality Management System. Where any significant weaknesses were identified, measures were taken to rectify and improve the risk management and internal control accordingly.

The overall review of the risk management and internal control system revealed that internal control and policies were generally sound and sufficient, and functioning satisfactorily.

The total costs incurred for the Internal Audit function in respect of the financial year ended 31 December 2016 were RM139,000. The Chief Internal Auditor was identified as the head of internal audit function, who shall report directly to the Audit Committee and shall be responsible for the regular review and/or appraisal of effectiveness of the risk management, internal control and governance processes within the Group.

(This Audit Committee Report is made in accordance with a resolution of the Board of Directors dated 27 March 2017)

# STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

Financial year ended 31 December 2016

#### **BOARD RESPONSIBILITY**

The Board of Directors ("Board") affirms its overall responsibility for the risk management and internal control system for Sarawak Consolidated Industries Berhad ("Company") and its group of companies ("Group"), and for continually reviewing its adequacy and effectiveness to safeguard shareholders' investment, the interests of customers, regulators and employees, and the Group's assets.

The Group maintains a sound system of risk management and internal control that covers finance, operations, governance and risk management. The Board believes that the system of risk management and internal control should provide reasonable assurance in achieving its corporate objectives as the Board acknowledges the limitations that are inherent in such a system. The Group's system of risk management and internal control is designed to manage rather than to eliminate the risk of failure in achieving corporate objectives. Accordingly, it can only provide reasonable assurance but not absolute assurance against material misstatements, financial losses or fraud.

The Board is pleased to set out below the Statement on Risk Management and Internal Control, outlining the nature and scope of risk management and internal control of the Group, which complies with Paragraph 15.26 (b) of Bursa Malaysia Securities Berhad's Main Market Listing Requirements ("MMLR") and the Malaysian Code on Corporate Governance.

#### RISK MANAGEMENT FRAMEWORK AND INTERNAL CONTROL SYSTEM

A sound system of risk management and internal control incorporates the need to have an appropriate risk assessment framework, identification of internal control to manage and control these risks, implementation of an effective information and communications system, and an ongoing process for monitoring the continuing adequacy and effectiveness of the system of risk management and internal control.

As such, the Board has implemented a Risk Management Framework within the Company and the Group in order to minimize the potential for undesired risk exposures for the benefit of shareholders and other stakeholders.

The formalization of the Risk Management Framework involved the setting up of the Risk Management Committee, which was established to undertake a risk assessment exercise and to draw up risk management action plans in order to identify, evaluate and manage the significant risks faced by the Group.

The Board has established an ongoing process for identifying, evaluating and managing the significant risks faced by the Group in its achievement of objectives and strategies. The process is regularly reviewed by the Board, which would include on its agenda the management of significant risks that may impede business objectives. Management assists the Board in the implementation of the Board's policies and procedures on risk and control by identifying and assessing the risks faced, and by designing, implementing and monitoring internal control in order to mitigate and control these risks.

Four (4) Risk Management Committee meetings were held during the 12-month period ended 31 December 2016, namely on 24 February 2016, 23 May 2016, 24 August 2016 and 21 November 2016, with agendas encompassing the following areas:

- Reviewing and monitoring the status of the adopted risk management action plans under the strategy mapping of the Group's Risk Management Framework, which relates and links the three Company Missions, i.e., Economic Mission, Product Mission and Special Mission, to the strategy mapping;
- Reviewing the significant business risks and operational risks faced by the Group and the risk profile of the Group; and
- The adequacy, effectiveness and relevance of the risk management action plans were reviewed as part of the on going risk management process and revisions were made and adopted as appropriate.

On a quarterly basis, the Risk Management Committee reports to the Board and submits a report to the Audit Committee on the status of the approved risk management practices.

The Board is of the view that the risk management and internal control system in place for the year under review and up to the date of issuance of the financial statements is adequate and effective to safeguard the shareholders' investment, the interests of customers, regulators and employees, and the Group's assets.

# STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL (contd.)

Financial year ended 31 December 2016

#### **INTERNAL CONTROL SYSTEM**

Other key processes that have been established in reviewing the adequacy and effectiveness of the risk management and internal control system include the following:

- Compliance: The Group's Accounting and Administration Regulations and Policies, Staff Manual and ISO 9001: 2008 Quality Management System documentation clearly outline the operating procedures that cover finance, human resources and operations. Internal audit reviews are conducted at regular intervals to monitor compliance with the procedures and assess the integrity of the information provided.
- Financial Performance: Interim financial results are reviewed by the Audit Committee and approved by the Board, together with the annual budgets and forecasts. The variance between actual and budgeted results is analysed for effective Management actions thereafter, and presented to the Audit Committee and the Board.
- Authority Level: The Board clearly defines delegated authority levels for revenue and capital expenditure.
   The approval of capital and revenue proposals exceeding authorized limits requires decision by the Board.
   Comprehensive appraisal procedures apply to all major investment decisions.
- Accountability and Reporting: The Group has a clear line of accountability, approval and reporting
  procedures taking into consideration segregation of duties and other control procedures. These procedures
  are communicated throughout the Group.

#### **INTERNAL AUDIT**

The Board, via the Audit Committee, monitors the risk management and internal control system through quarterly reviews, which is undertaken by Internal Audit. The reviews include a balanced assessment of the significant risks and the adequacy and effectiveness of the risk management and internal control system of the Group. Where any significant weaknesses were identified, Internal Audit, together with input from the Management, would recommend measures to improve the risk management and internal control accordingly.

Further details of the activities of Internal Audit are set out in the Audit Committee Report.

#### **ASSURANCE FROM MANAGEMENT**

The Board has received reasonable assurance from the Chief Executive Officer and the Chief Financial Officer that the Group's Risk Management Framework and internal control system are operating adequately and effectively, in all material respects, based on the risk management and internal control system of the Group.

#### **REVIEW OF THE STATEMENT BY EXTERNAL AUDITORS**

As required by Paragraph 15.23 of the MMLR, the external auditors have reviewed this Statement on Risk Management and Internal Control for inclusion in the annual report of the Group for the year ended 31 December 2016 and reported to the Board that nothing has come to their attention that causes them to believe that the statement is inconsistent with their understanding of the process adopted by the Board in reviewing the adequacy and effectiveness of the risk management and internal control system.

(This Statement on Risk Management and Internal Control is made in accordance with a resolution of the Board of Directors dated 27 March 2017)

# REPORT ON CORPORATE SOCIAL RESPONSIBILITY

SCIB's CSR mission statement is to operate in a way that actively recognizes the central role that business plays in the structure of society to improve the quality of life of a broad community. SCIB's overall practice of CSR takes on four main focal areas namely the workplace, the community, the environment and the marketplace.

#### THE WORKPLACE

We acknowledge that employees are the key to successful business operations and we value and care for all aspects of their wellbeing.

## Safer Workplace Initiative

We strive to provide a safe, healthy and quality working environment for our employees through various efforts as follows:-

#### Health & Safety Committee

Health & Safety Committee has been established and meets regularly to identify, evaluate and control safety issues and foreseeable risks at our workplace.

#### Safety talks and training

Safety talks are conducted throughout the year by experienced staff to create awareness on the importance of personal safety and hygiene. Staffs are also provided with the opportunity of attending safety training courses to further enhance their knowledge on health and safety at workplace.

Five courses were conducted and attended by staffs during the year namely Certificate In Competency Safety Site Supervisor on 19th to 28th February 2016, Safety & Health Training on 10th February 2016, Briefing on Exposure Monitoring & Chemical Health Risk Assessment on 1st April 2016, Fire Preventive Training on 18th May 2016 and Occupational Safety & Health by JKKP on 11th August 2016. We also progressively upgrade our factory facilities and infrastructures to provide a favourable working environment.

## Human resource development

We ensure there are growth, development and progression opportunities for our employees through in-house training, seminar, workshops and talks. This will equip them with latest job-related updates and learning. A total of 180 employees have benefited from the seventy four (74) trainings both internal and external conducted over the year.

We also provide the opportunity of department rotation to our employees where they are able to expand their knowledge, experience and expertise in various job scopes. During the year, 22 employees were promoted and 12 employees were transferred to other departments or job functions for further development.

#### Educational assistance

We are committed in providing educational opportunities to our employees. Financial aids have been provided to our employees to support their quest for further education learning. During the year 2016, Two (2) employees has benefited from the educational assistance for job enhancement.

# True Spirit of Giving -Tabung SCIB

Tabung SCIB, established in 2003, is a true spirit of giving by all employees of SCIB on monthly basis in which SCIB also contributes to the fund on a 1 to 1 basis. It is governed by staff representatives with the objectives to assist child education through offer of scholarships, to provide loan to employees during emergencies and to assist the less privileged. Cash rewards were also given to children of our employees who achieve excellent academic results in the school year end examinations as well as in public examinations such as UPSR, PMR and SPM. During the year under review, 198 children have benefited from Tabung SCIB.

# REPORT ON CORPORATE SOCIAL RESPONSIBILITY (contd.)

## Appreciate Our Employees

Labour Day celebration is organized to show our appreciation of employees' efforts and contributions to SCIB while encouraging networking and socializing between colleagues. On 10th December 2016, SCIB gathered all employees for dinner at Kelab Golf Sarawak. It was a heartwarming and fun-filled event to cherish. This also serves to promote greater togetherness and interactions among our employees. The night was filled with beautiful music, interesting performance, enjoyable games, pleasing food and exciting prizes in lucky draws.

## Healthy lifestyle

In order to encourage our employees to adopt healthy lifestyle, SCIB also subsidized some social and recreational events such as the CMS Tribal Run 2016 which was participated by 21 of our employees on 4 September 2016 and Bowling Carnival which was participated by 10 of our employees on 24 September 2016. The Company also sponsor Badminton club to support interested employees to play the sport twice a week. The Company also practices a Non-Smoking policy in the office and factory premises.

#### THE COMMUNITY

We believe that Companies live within the community and they are inter-dependent of one another.

#### SCIB Volunteers

Our employees have shown great spirit of volunteerism in various fund raising activities organized by the Sarawak Cheshire Home, Sarawak Society for Parents of Children with Special Needs (PIBAKAT) and Kuching Autistic Association by setting up food stores sponsored by the Company.

# Training for tomorrow

Throughout 2016 SCIB provides industrial training for 18 undergraduates from local institutions of higher learning in the areas of Civil Engineering, Electrical Engineering, Welder, Wireman, Boilerman and Occupational Safety & Health Officer for duration between 3-4 months, giving them learning opportunities to improve their practical knowledge and field exposure.

#### THE ENVIRONMENT

We also recognize the importance of environment in which we operate in and place our best effort to become an environmental responsible corporate citizen.

#### Save the Trees

We have invested in our information technology system to reduce the usage of paper in our daily operations and also practice recycling paper waste.

## Save energy

We encourage employees to switch off non-essential electrical machinery, equipment and appliance when not in use.

# REPORT ON CORPORATE SOCIAL RESPONSIBILITY (contd.)

## Recycle of waste

We recycle waste materials back to production if they are reusable otherwise, we sell to scrap collectors who might be able to use them.

#### THE MARKETPLACE

We continuously try to add value to our stakeholders by way of engaging in ethical procurement procedures, enhancing good management practices, internal control systems, promoting information sharing and transparency, emphasizing on corporate accountability, corporate governance, reputation, business trust and integrity. In line with good corporate governance practice, we maintains a high level of transparency in dealing with various stakeholders via various communication channels such as regular meeting, timely disclosure to Bursa Malaysia Securities Berhad, annual general meeting and annual report.

#### **Principal activities**

The principal activities of the Company are investment holding and provision of management services to the subsidiaries. The principal activities of the subsidiaries are described in Note 16 to the financial statements.

There have been no significant changes in the nature of the principal activities during the financial year.

#### Results

	<b>Group</b> RM	<b>Company</b> RM
Profit net of tax	1,592,532	4,124,153

There were no material transfers to or from reserves or provisions during the financial year other than as disclosed in the financial statements.

In the opinion of the directors, the results of the operations of the Group and of the Company during the financial year were not substantially affected by any item, transaction or event of a material and unusual nature.

#### **Directors**

The names of the directors of the Company in office since the beginning of the financial year to the date of this report are:

YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo YBhg. Datu Haji Mohidden Bin Haji Ishak Haji Soedirman Bin Haji Aini Lim Nyuk Foh Shamsul Anuar Bin Ahamad Ibrahim Rewi Hamid Bugo

(Vacated on 31 December 2016)

## **Directors' benefits**

Neither at the end of the financial year, nor at any time during that year, did there subsist any arrangement to which the Company was a party, whereby the directors might acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate.

Since the end of the previous financial year, no director has received or become entitled to receive a benefit (other than benefits included in the aggregate amount of emoluments received or due and receivable by the directors or the fixed salary of a full-time employee of the Company as shown in Note 11 to the financial statements) by reason of a contract made by the Company or a related corporation with any director or with a firm of which he is a member, or with a company in which he has a substantial financial interest, except as disclosed in Note 29 to the financial statements.

# **DIRECTORS' REPORT** (contd.)

#### **Directors' interest**

According to the register of directors' shareholdings, the interests of directors in office at the end of the financial year in shares in the Company during the financial year were as follows:

	As at 1.1.2016	Bought	Sold	As at 31.12.2016
Direct interest:		· ·		
Number of ordinary shares of RM1 each				
YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo Lim Nyuk Foh YBhg. Datu Haji Mohidden Bin Haji Ishak Rewi Hamid Bugo	3,412,600 16,648,100 10,000 2,088,300	16,600 - 40,000 -	(15,183,100) - -	3,429,200 1,465,000 50,000 2,088,300
Indirect interest:				
Number of ordinary shares of RM1 each				
YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo Lim Nyuk Foh Rewi Hamid Bugo	11,369,900 3,646,385 9,281,600	- - -	- - -	11,369,900 3,646,385 9,281,600

YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo, Lim Nyuk Foh and Rewi Hamid Bugo by virtue of their interests in shares in the Company, are also deemed interested in shares of all the Company's subsidiaries to the extent the Company has an interest.

None of the other directors in office at the end of the financial year had any interest in shares in the Company or its related corporations during the financial year.

## Other statutory information

- (a) Before the statements of profit or loss and other comprehensive income and statements of financial position of the Group and of the Company were made out, the directors took reasonable steps:
  - (i) to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and satisfied themselves that there were no known bad debts and that adequate provision had been made for doubtful debts; and
  - (ii) to ensure that any current assets which were unlikely to realise their value as shown in the accounting records in the ordinary course of business had been written down to an amount which they might be expected so to realise.
- (b) At the date of this report, the directors are not aware of any circumstances which would render:
  - (i) it necessary to write off any bad debts or the amount of the provision for doubtful debts in the financial statements of the Group and of the Company inadequate to any substantial extent; and
  - (ii) the values attributed to the current assets in the financial statements of the Group and of the Company misleading.
- (c) At the date of this report, the directors are not aware of any circumstances which have arisen which would render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.
- (d) At the date of this report, the directors are not aware of any circumstances not otherwise dealt with in this report or financial statements of the Group and of the Company which would render any amount stated in the financial statements misleading.

# **DIRECTORS' REPORT** (contd.)

#### Other statutory information (contd.)

- (e) As at the date of this report, there does not exist:
  - (i) any charge on the assets of the Group or of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or
  - (ii) any contingent liability of the Group or of the Company which has arisen since the end of the financial year.
- (f) In the opinion of the directors:
  - no contingent or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which will or may affect the ability of the Group or of the Company to meet their obligations when they fall due; and
  - (ii) no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the financial year and the date of this report which is likely to affect substantially the results of the operations of the Group or of the Company for the financial year in which this report is made.

#### Subsequent event

Details of a subsequent event is disclosed in Note 35 to the financial statements.

#### **Auditors**

The auditors, Ernst & Young, have expressed their willingness to continue in office.

Auditors' remuneration are disclosed in Note 9 to the financial statements.

Signed on behalf of the Board in accordance with a resolution of the directors dated 10 April 2017.

YBhg. Tan Sri Datuk Amar (Dr.) Hamid bin Bugo

**Shamsul Anuar Bin Ahamad Ibrahim** 

# STATEMENT BY DIRECTORS

pursuant to Section 251(2) of the Companies Act 2016

We, YBhg. Tan Sri Datuk Amar (Dr.) Hamid Bin Bugo and Shamsul Anuar Bin Ahamad Ibrahim, being two of the directors of Sarawak Consolidated Industries Berhad, do hereby state that, in the opinion of the directors, the accompanying financial statements set out on pages 56 to 118 are drawn up in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 1965 in Malaysia so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2016 and of their financial performance and cash flows for the year then ended.

The supplementary information set out in Note 37 to the financial statements has been prepared in accordance with the Guidance on Special Matter No.1, Determination of Realised and Unrealised Profits or Losses in the Context of Disclosure Pursuant to Bursa Malaysia Securities Berhad Listing Requirements, as issued by the Malaysian Institute of Accountants.

Signed on behalf of the Board in accordance with a resolution of the directors 10 April 2017.

YBhg. Tan Sri Datuk Amar (Dr.) Hamid bin Bugo

Shamsul Anuar Bin Ahamad Ibrahim

# STATUTORY DECLARATION

pursuant to Section 251(1)(b) of the Companies Act 2016

I, Haji Zaidi Bin Haji Ahmad, being the officer primarily responsible for the financial management of Sarawak Consolidated Industries Berhad, do solemnly and sincerely declare that the accompanying financial statements set out on pages 56 to 119 are in my opinion correct, and I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act, 1960.

Subscribed and solemnly declared by the abovenamed **Haji Zaidi Bin Haji Ahmad** at Kuching in the State of Sarawak on 10 April 2017.

Haji Zaidi Bin Haji Ahmad

Before me, Evelyn Lau Sie Jiong Commissioner For Oaths No. 10, Lot 663, Ground Floor, Lorong 2, Jalan Ong Tiang Swee, 93200 Kuching, Sarawak

to the Members of Sarawak Consolidated Industries Berhad

#### Report on the audit of the financial statements

#### Opinion

We have audited the financial statements of **Sarawak Consolidated Industries Berhad.**, which comprise the statements of financial position as at 31 December 2016 of the Group and of the Company, and statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 56 to 118.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 December 2016, and of their financial performance and their cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 1965 in Malaysia.

#### Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence and other ethical responsibilities

We are independent of the Group and of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

#### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our audit opinion on the accompanying financial statements.

#### Impairment on receivables

As the Group experienced uncertainty over the collectability of trade receivables from specific customers, an assessment was performed on the recoverable amount on the trade receivables stated at RM20.77 million as at 31 December 2016, which represented approximately 22% of the Group's total assets, to determine whether the carrying value of the trade receivables were recoverable.

The determination as to whether a trade receivable is collectable involves management judgement. Specific factors which management has considered include the age of the balance, existence of disputes, recent historical payment patterns and any other available information concerning the creditworthiness of counterparties. Management used this information to determine whether a provision for impairment was required either for a specific transaction or for a customer's balance overall.

to the Members of Sarawak Consolidated Industries Berhad (contd.)

## Report on the audit of the financial statements (contd.)

Impairment on receivables (contd.)

Based on the outcome of the impairment assessment, the Group recorded an impairment charge on its receivables of RM2.1 million during the year as disclosed in Note 19 to the financial statements.

The impairment assessment of the trade receivables was significant to our audit due to the magnitude of the amount and the requirement of a high level of management judgement.

We evaluated management's assessment of impairment indications for trade receivables. Our audit procedures, among others, include reviewing management's assumptions used to calculate the trade receivables impairment amount, detailed analyses of ageing of receivables especially significant overdue individual trade receivables and their specific risks.

Information other than the financial statements and auditors' report thereon

The directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the financial statements

The directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 1965 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

to the Members of Sarawak Consolidated Industries Berhad (contd.)

#### Report on the audit of the financial statements (contd.)

Auditors' responsibilities for the audit of the financial statements (contd.)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

to the Members of Sarawak Consolidated Industries Berhad (contd.)

#### Other reporting responsibilities

The supplementary information set out in Note 37 on page 119 is disclosed to meet the requirement of Bursa Malaysia Securities Berhad and is not part of the financial statements. The directors are responsible for the preparation of the supplementary information in accordance with Guidance on Special Matter No. 1, Determination of Realised and Unrealised Profits or Losses in the Context of Disclosure Pursuant to Bursa Malaysia Securities Berhad Listing Requirements, as issued by the Malaysian Institute of Accountants ("MIA Guidance") and the directive of Bursa Malaysia Securities Berhad. In our opinion, the supplementary information is prepared, in all material respects, in accordance with the MIA Guidance and the directive of Bursa Malaysia Securities Berhad.

#### Other matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

The accompanying accounting policies and explanatory notes form an integral part of the financial statements.

For the financial year ended 31 December 2016

#### 1. Corporate information

The Company is a public limited liability company incorporated and domiciled in Malaysia and is listed on the Main Market of Bursa Malaysia Securities Berhad. The registered office and the principal place of business of the Company is located at Lot 1258, Jalan Utama, Pending Industrial Estate, 93450 Kuching, Sarawak.

The principal activities of the Company are investment holding and provision of management services to the subsidiaries. The principal activities of the subsidiaries are described in Note 16 to the financial statements. There have been no significant changes in the nature of the principal activities during the financial year.

### 2. Summary of significant accounting policies

#### 2.1 Basis of preparation

The financial statements of the Group and of the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards ("IFRS") and the requirements of the Companies Act, 1965 in Malaysia.

The financial statements of the Group and of the Company have also been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements of the Group and of the Company are presented in Ringgit Malaysia ("RM").

#### 2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except as follows:

On 1 January 2016, the Group and the Company adopted the following new and amended MFRSs and Annual Improvements which are mandatory for annual financial periods beginning on or after 1 January 2016.

Description	Effective for annual periods beginning on or after
Annual Improvements to MFRSs 2012 - 2014 Cycle	1 January 2016
Amendments to MFRS 116 and MFRS 138:	1 January 2016
Clarification of Acceptable Methods of Depreciation and Amortisation	
Amendments to MFRS 116 and MFRS 141: Agriculture - Bearer Plants	1 January 2016
Amendments to MFRS 10, MFRS 12 and MFRS 128:	1 January 2016
Investment Entities - Applying the Consolidation Exception	
Amendments to MFRS 11: Accounting for Acquisitions of Interests in Joint Operation	ns 1 January 2016
Amendments to MFRS 101: Disclosure Initiatives	1 January 2016
Amendments to MFRS 127: Equity Method in Separate Financial Statements	1 January 2016
MFRS 14 Regulatory Deferral Accounts	1 January 2016

# (a) Amendments to MFRS 116 and MFRS 138: Clarification of Acceptable Methods of Depreciation and Amortisation

The amendments clarify that revenue reflects a pattern of economic benefits that are generated from operating a business (of which the asset forms part of the business) rather than the economic benefits that are consumed through the use of an asset. As a result, a revenue-based method cannot be used to depreciate property, plant and equipment and may only be used in very limited circumstances to amortise intangible assets.

The amendments do not have any impact to the Group as the Group has not used a revenue-based method to depreciate its non-current assets.

For the financial year ended 31 December 2016 (contd.)

#### Summary of significant accounting policies (contd.)

#### 2.2 Changes in accounting policies (contd.)

# (b) Amendments to MFRS 10, MFRS 12 and MFRS 128: Investment Entities - Applying the Consolidation Exception

The amendments clarify that the exemption from presenting consolidated financial statements applies to a parent entity that is a subsidiary of an investment entity, when the investment entity measures all of its subsidiaries at fair value. The amendments further clarify that only a subsidiary that is not an investment entity itself and provides support services to the investment entity is consolidated.

In addition, the amendments also provides that if an entity that is not itself an investment entity has an interest in an associate or joint venture that is an investment entity, the entity may, when applying the equity method, retain the fair value measurement applied by that investment entity associate or joint venture to the investment entity associate's or joint venture's interests in subsidiaries.

The amendments are applied retrospectively and do not have any impact on the Group's and the Company's financial statements.

#### (c) Amendments to MFRS 11: Accounting for Acquisitions of Interests in Joint Operations

The amendments to MFRS 11 require that a joint operator which acquires an interest in a joint operations which constitute a business to apply the relevant MFRS 3 Business Combinations principles for business combinations accounting. The amendments also clarify that a previously held interest in a joint operation is not remeasured on the acquisition of an additional interest in the same joint operation while joint control is retained. In addition, a scope exclusion has been added to MFRS 11 to specify that the amendments do not apply when the parties sharing joint control, including the reporting entity, are under common control of the same ultimate controlling party.

These amendments do not have any impact on the Group's consolidated financial statements as there has been no interest acquired in a joint operation during the year.

#### (d) Amendments to MFRS 101: Disclosure Initiatives

The amendments to MFRS 101 include narrow-focus improvements in the following five areas:

- Materiality
- Disaggregation and subtotals
- Notes structure
- Disclosure of accounting policies
- Presentation of items of other comprehensive income arising from equity accounted investments

The amendments do not have any impact on the Group's and the Company's financial statements.

#### (e) Amendments to MFRS 127: Equity Method in Separate Financial Statements

The amendments will allow entities to use the equity method to account for investments in subsidiaries, joint ventures and associates in their separate financial statements. Entities already applying MFRS and electing to change to the equity method in its separate financial statements will have to apply this change retrospectively. For first-time adopters of MFRS electing to use the equity method in its separate financial statements, they will be required to apply this method from the date of transition to MFRS.

These amendments do not have any impact on the Group's and the Company's financial statements.

For the financial year ended 31 December 2016 (contd.)

#### 2. Summary of significant accounting policies (contd.)

#### 2.2 Changes in accounting policies (contd.)

#### (f) Annual Improvements to MFRSs 2012–2014 Cycle

The Annual Improvements to MFRSs 2012-2014 Cycle include a number of amendments to various MFRSs, which are summarised below. These amendments do not have a significant impact on the Group's and Company's financial statements.

### (i) MFRS 5: Non-current Assets Held for Sale and Discontinued Operations

The amendment to MFRS 5 clarifies that changing from one disposal method to the other should not be considered to be a new plan of disposal, rather it is a continuation of the original plan. There is therefore no interruption of the application of the requirements in MFRS 5.

The amendment also clarifies that changing the disposal method does not change the date of classification. This amendment is applied prospectively.

#### (ii) MFRS 7 Financial Instruments: Disclosures

The amendment clarifies that a servicing contract that includes a fee can constitute continuing involvement in a financial asset. An entity must assess the nature of the fee and arrangement against the guidance for continuing involvement in MFRS 7 in order to assess whether the disclosures are required.

In addition, the amendment also clarifies that the disclosures in respect of offsetting of financial assets and financial liabilities are not required in the condensed interim financial report. This amendment is applied retrospectively.

#### (iii) MFRS 134: Interim Financial Reporting

The amendment states that the required interim disclosures must either be in the interim financial statements or incorporated by cross-reference between the interim financial statements and wherever they are included within the greater interim financial report (e.g., in the management commentary or risk report). The other information within the interim financial report must be available to users on the same terms as the interim financial statements and at the same time. This amendment is applied retrospectively.

#### (g) MFRS 14: Regulatory Deferral Accounts

MFRS 14 is an optional standard that allows an entity, whose activities are subject to rate-regulations, to continue applying most of its existing accounting policies for regulatory deferral account balances upon its first-time adoption of MFRS. Entities that adopt MFRS 14 must present the regulatory deferral accounts as separate line items on the statement of financial position and present movements in the account balances as separate line items in the statement of profit or loss and other comprehensive income. The standard requires disclosures on the nature of, and risks associated with, the entity's rate-regulation and the effects of that rate-regulation on its financial statements. Since the Group is an existing MFRS preparer, this standard would not apply.

For the financial year ended 31 December 2016 (contd.)

#### 2. Summary of significant accounting policies (contd.)

#### 2.3 Standards issued but not yet effective

The standards and interpretations that are issued but not yet effective up to the date of issuance of the Company's financial statements are disclosed below. The Group and the Company intend to adopt these standards, if applicable, when they become effective.

Description	Effective for annual periods beginning on or after
Amendments to MFRS 107: Disclosures Initiatives Amendments to MFRS 112: Recognition of Deferred Tax Assets for unrealised Losses	1 January 2017 1 January 2017
Annual Improvements to MFRSs 2014 - 2016 Cycle:  (i) Amendments to MFRS 12: Disclosure of Interests in Other Entities	1 January 2017
(ii) Amendments to MFRS 1: First-time Adoption of Financial Reporting Standards (iii) Amendments to MFRS 128: Investments in Associates and Joint Ventures Amendments to MFRS 2: Classification and Measurement of	1 January 2018 1 January 2018 1 January 2018
Share-based Payment Transactions Amendments to MFRS 140: Transfers of Investment Property	1 January 2018
MFRS 15: Revenue from Contracts with Customers MFRS 9: Financial Instruments	1 January 2018 1 January 2018
IC Interpretation 22: Foreign Currency Transactions and Advance Consideration Amendments to MFRS 4: Applying MFRS 9 Financial Instruments with MFRS 4 Insurance Contracts	1 January 2018 1 January 2018
Amendments to MFRS 10 and MFRS 128: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Deferred
MFRS 16: Leases	1 January 2019

#### (a) Amendments to MFRS 107: Disclosures Initiatives

The amendments to MFRS 107 Statement of Cash Flows requires an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes. On initial application of this amendment, entities are not required to provide comparative information for preceding periods. These amendments are effective for annual periods beginning on or after 1 January 2017, with early application permitted. Application of amendments will result in additional disclosures to be provided by the Group and the Company.

#### (b) Amendments to MFRS 112: Recognition of Deferred Tax Assets for Unrealised Losses

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between retained earnings and other components of equity. Entities applying this relief must disclose that fact.

These amendments are effective for annual periods beginning on or after 1 January 2017 with early application permitted. If an entity applies this amendments for an earlier period, it must disclose that fact. The directors of the Company do not anticipate that the application of these amendments will have a material impact on the Group's and the Company's financial statements.

For the financial year ended 31 December 2016 (contd.)

## 2. Summary of significant accounting policies (contd.)

#### 2.3 Standards issued but not yet effective (contd.)

#### (c) MFRS 15 Revenue from Contracts with Customers

MFRS 15 establishes a new five-step model that will apply to revenue arising from contracts with customers. MFRS 15 will supersede the current revenue recognition guidance including MFRS 118 Revenue, MFRS 111 Construction Contracts and the related interpretations when it becomes effective.

The core principle of MFRS 15 is that an entity should recognise revenue which depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Under MFRS 15, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e when "control" of the goods or services underlying the particular performance obligation is transferred to the customer.

Either a full or modified retrospective application is required for annual periods beginning on or after 1 January 2018 with early adoption permitted. The Directors anticipate that the application of MFRS 15 will have a material impact on the amounts reported and disclosures made in the Group's and the Company's financial statements. The Group is currently assessing the impact of MFRS 15 and plans to adopt the new standard on the required effective date.

#### (d) MFRS 9 Financial Instruments

In November 2014, MASB issued the final version of MFRS 9 Financial Instruments which reflects all phases of the financial instruments project and replaces MFRS 139 Financial Instruments: Recognition and Measurement and all previous versions of MFRS 9. The standard introduces new requirements for classification and measurement, impairment and hedge accounting. MFRS 9 is effective for annual periods beginning on or after 1 January 2018, with early application permitted. Retrospective application is required, but comparative information is not compulsory. The adoption of MFRS 9 will have an effect on the classification and measurement of the Group's financial assets, but no impact on the classification and measurement of the Group's financial liabilities.

#### (e) MFRS 16 Leases

MFRS 16 will replace MFRS 117 Leases, IC Interpretation 4 Determining whether an Arrangement contains a Lease, IC Interpretation 115 Operating Lease-Incentives and IC Interpretation 127 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. MFRS 16 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under MFRS 117.

At the commencement date of a lease, a lessee will recognise a liability to make lease payments and an asset representing the right to use the underlying asset during the lease term. Lessees will be required to recognise interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessor accounting under MFRS 16 is substantially the same as the accounting under MFRS 117. Lessors will continue to classify all leases using the same classification principle as in MFRS 117 and distinguish between two types of leases: operating and finance leases.

MFRS 16 is effective for annual periods beginning on or after 1 January 2019. Early application is permitted but not before an entity applies MFRS 15. A lessee can choose to apply the standard using either a full retrospective or a modified retrospective approach.

For the financial year ended 31 December 2016 (contd.)

- 2. Summary of significant accounting policies (contd.)
  - 2.3 Standards issued but not yet effective (contd.)
    - (f) Amendments to MFRS 10 and MFRS 128: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

The amendments clarify that:

- gains and losses resulting from transactions involving assets that do not constitute a business, between investor and its associate or joint venture are recognised in the entity's financial statements only to the extent of unrelated investors' interests in the associate or joint venture;
- gains and losses resulting from transactions involving the sale or contribution of assets to an associate of a joint venture that constitute a business is recognised in full.

The amendments are to be applied prospectively to the sale or contribution of assets occurring in annual periods beginning on or after a date to be determined by Malaysian Accounting Standards Board. Earlier application is permitted. These amendments are not expected to have any impact on the Group.

#### 2.4 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the reporting date. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied for like transactions and events in similar circumstances.

The Company controls an investee if and only if the Company has all the following:

- Power over the investee (i.e existing rights that give it the current ability to direct the relevant activities
  of the investee);
- (ii) Exposure, or rights, to variable returns from its investment with the investee; and
- (iii) The ability to use its power over the investee to affect its returns.

When the Company has less than a majority of the voting rights of an investee, the Company considers the following in assessing whether or not the Company's voting rights in an investee are sufficient to give it power over the investee:

- The size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- (ii) Potential voting rights held by the Company, other vote holders or other parties;
- (iii) Rights arising from other contractual arrangements; and
- (iv) Any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Subsidiaries are consolidated when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions are eliminated in full.

Losses within a subsidiary are attributed to the non-controlling interests even if that results in a deficit balance.

For the financial year ended 31 December 2016 (contd.)

## 2. Summary of significant accounting policies (contd.)

#### **2.4 Basis of consolidation** (contd.)

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. The resulting difference is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, a gain or loss calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets and liabilities of the subsidiary and any non-controlling interest, is recognised in profit or loss. The subsidiary's cumulative gain or loss which has been recognised in other comprehensive income and accumulated in equity are reclassified to profit or loss or where applicable, transferred directly to retained earnings. The fair value of any investment retained in the former subsidiary at the date control is lost is regarded as the cost on initial recognition of the investment.

#### **Business combinations**

Acquisitions of subsidiaries are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred, measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. The Group elects on a transaction-by-transaction basis whether to measure the non-controlling interests in the acquiree either at fair value or at the proportionate share of the acquiree's identifiable net assets. Transaction costs incurred are expensed and included in administrative expenses.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes in the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in accordance with MFRS 139 either in profit or loss or as a change to other comprehensive income. If the contingent consideration is classified as equity, it will not be remeasured. Subsequent settlement is accounted for within equity. In instances where the contingent consideration does not fall within the scope of MFRS 139, it is measured in accordance with the appropriate MFRS.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

If the business combination is achieved in stages, the acquisition date fair value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date through profit or loss.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests over the net identifiable assets acquired and liabilities assumed. If this consideration is lower than fair value of the net assets of the subsidiary acquired, the difference is recognised in profit or loss.

#### 2.5 Subsidiaries

A subsidiary is an entity over which the Group has all the following:

- (i) Power over the investee (i.e existing rights that give it the current ability to direct the relevant activities of the investee);
- (ii) Exposure, or rights, to variable returns from its investment with the investee; and
- (iii) The ability to use its power over the investee to affect its returns.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses. On disposal of such investments, the difference between net disposal proceeds and their carrying amounts is included in profit or loss.

For the financial year ended 31 December 2016 (contd.)

#### 2. Summary of significant accounting policies (contd.)

#### 2.6 Associates

An associate is an entity in which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

On acquisition of an investment in associate, any excess of the cost of investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill and included in the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities of the investee over the cost of investment is excluded from the carrying amount of the investment and is instead included as income in the determination of the Group's share of the associate's profit or loss for the period in which the investment is acquired.

An associate is equity accounted for from the date on which the investee becomes an associate.

Under the equity method, on initial recognition the investment in an associate is recognised at cost, and the carrying amount is increased or decreased to recognise the Group's share of the profit or loss and other comprehensive income of the associate after the date of acquisition. When the Group's share of losses in an associate equal or exceeds its interest in the associate, the Group does not recognise further losses, unless it has incurred legal or constructive obligations or made payments on behalf of the associate.

Profits and losses resulting from upstream and downstream transactions between the Group and its associate are recognised in the Group's financial statements only to the extent of unrelated investors' interests in the associate. Unrealised losses are eliminated unless the transaction provides evidence of an impairment of the asset transferred.

The financial statements of the associates are prepared as of the same reporting date as the Company. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group applies MFRS 139 Financial Instruments: Recognition and Measurement to determine whether it is necessary to recognise any additional impairment loss with respect to its net investment in the associate. When necessary, the entire carrying amount of the investment is tested for impairment in accordance with MFRS 136 Impairment of Assets as a single asset, by comparing its recoverable amount (higher of value in use and fair value less costs to sell) with its carrying amount. Any impairment loss is recognised in profit or loss. Reversal of an impairment loss is recognised to the extent that the recoverable amount of the investment subsequently increases.

In the Company's separate financial statements, investments in associates are accounted for at cost less impairment losses. On disposal of such investments, the difference between net disposal proceeds and their carrying amounts is included in profit or loss.

#### 2.7 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. When significant parts of property, plant and equipment are required to be replaced in intervals, the Group recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

For the financial year ended 31 December 2016 (contd.)

#### Summary of significant accounting policies (contd.)

#### **2.7** Property, plant and equipment (contd.)

Depreciation of property, plant and equipment is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Long-term leasehold land60 yearsBuildings20 yearsConcrete jetty20 yearsPlant, machinery and equipment5 - 15 yearsFurniture, fittings and office equipment5 - 10 yearsMotor vehicles4 years

Capital work-in-progress in property, plant and equipment are not depreciated as these assets are not yet available for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in the profit or loss in the year the asset is derecognised.

#### 2.8 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when an annual impairment assessment for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units ("CGU")).

In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the carrying amount of an asset exceeds its recoverable amount, the asset is written down to its recoverable amount. Impairment losses recognised in respect of a CGU or groups of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to those units or groups of units and then, to reduce the carrying amount of the other assets in the unit or groups of units on a pro-rata basis.

Impairment losses are recognised in profit or loss except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase. Impairment loss on goodwill is not reversed in a subsequent period.

For the financial year ended 31 December 2016 (contd.)

# Summary of significant accounting policies (contd.)

# 2.9 Financial assets

Financial assets are recognised in the statements of financial position when, and only when, the Group and the Company become a party to the contractual provisions of the financial instrument.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

The Group and the Company determine the classification of their financial assets at initial recognition, and the categories include financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments and available-for-sale financial assets.

# (a) Financial assets at fair value through profit or loss

Financial assets are classified as financial assets at fair value through profit or loss if they are held for trading or are designated as such upon initial recognition. Financial assets held for trading are derivatives (including separated embedded derivatives) or financial assets acquired principally for the purpose of selling in the near term.

Subsequent to initial recognition, financial assets at fair value through profit or loss are measured at fair value. Any gains or losses arising from changes in fair value are recognised in profit or loss. Net gains or net losses on financial assets at fair value through profit or loss do not include exchange differences, interest and dividend income. Exchange differences, interest and dividend income on financial assets at fair value through profit or loss are recognised separately in profit or loss as part of other losses or other income.

Financial assets at fair value through profit or loss could be presented as current or non-current. Financial assets that are held primarily for trading purposes are presented as current whereas financial assets that are not held primarily for trading purposes are presented as current or non-current based on the settlement date.

# (b) Loans and receivables

Financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables.

Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

Loans and receivables are classified as current assets, except for those having maturity dates later than 12 months after the reporting date which are classified as non-current.

# (c) Held-to-maturity investments

Financial assets with fixed or determinable payments and fixed maturity are classified as held-tomaturity when the Group has the positive intention and ability to hold the investment to maturity.

Subsequent to initial recognition, held-to-maturity investments are measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the held-to-maturity investments are derecognised or impaired, and through the amortisation process.

Held-to-maturity investments are classified as non-current assets, except for those having maturity within 12 months after the reporting date which are classified as current.

For the financial year ended 31 December 2016 (contd.)

# Summary of significant accounting policies (contd.)

# 2.9 Financial assets (contd.)

# (d) Available-for-sale financial assets

Available-for-sale financial assets are financial assets that are designated as available for sale or are not classified in any of the three preceding categories.

After initial recognition, available-for-sale financial assets are measured at fair value. Any gains or losses from changes in fair value of the financial assets are recognised in other comprehensive income, except that impairment losses, foreign exchange gains and losses on monetary instruments and interest calculated using the effective interest method are recognised in profit or loss.

The cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment when the financial asset is derecognised. Interest income calculated using the effective interest method is recognised in profit or loss. Dividends on an available-for-sale equity instrument are recognised in profit or loss when the Group's and the Company's right to receive payment is established.

Investments in equity instruments whose fair value cannot be reliably measured are measured at cost less impairment loss.

Available-for-sale financial assets are classified as non-current assets unless they are expected to be realised within 12 months after the reporting date.

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace concerned. All regular way purchases and sales of financial assets are recognised or derecognised on the trade date i.e., the date that the Group and the Company commit to purchase or sell the asset.

# 2.10 Impairment of financial assets

The Group and the Company assess at each reporting date whether there is any objective evidence that a financial asset is impaired.

# Trade, other receivables and other financial assets carried at amortised cost

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group and the Company consider factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments. For certain categories of financial assets, such as trade receivables, assets that are assessed not to be impaired individually are subsequently assessed for impairment on a collective basis based on similar risk characteristics.

Objective evidence of impairment for a portfolio of receivables could include the Group's and the Company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period and observable changes in national or local economic conditions that correlate with default on receivables.

If any such evidence exists, the amount of impairment loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The impairment loss is recognised in profit or loss.

For the financial year ended 31 December 2016 (contd.)

# 2. Summary of significant accounting policies (contd.)

# 2.10 Impairment of financial assets (contd.)

Trade, other receivables and other financial assets carried at amortised cost (contd.)

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable becomes uncollectible, it is written off against the allowance account.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

# 2.11 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. These also include bank overdrafts that form an integral part of the Group's cash management and exclude fixed deposits that are pledged to banks for banking facilities granted to the Group.

# 2.12 Construction contracts

Where the outcome of a construction contract can be reliably estimated, contract revenue and contracts costs are recognised as revenue and expenses respectively by using the stage of completion method. The stage of completion is measured by reference to the proportion of contract costs incurred for work performed to date to the estimated total contract costs.

Where the outcome of a construction contract cannot be reliably estimated, contract revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

Contract revenue comprises the initial amount of revenue agreed in the contract and variations in contract work, claims and incentive payments to the extent that it is probable that they will result in revenue and they are capable of being reliably measured.

When the total of cost incurred on construction contracts plus recognised profits (less recognised losses) exceeds progress billings, the balance is classified as amount due from customers on contracts. When progress billings exceed costs incurred plus, recognised profits (less recognised losses), the balance is classified as amount due to customers on contracts.

# 2.13 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and condition are accounted for as follows:

- Raw materials: purchase costs on a weighted average cost formula
- Consumables: purchase costs on first-in-first-out basis
- Finished goods and work-in-progress: costs of direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. These costs are assigned on a weighed average cost formula.
- Cost of properties held for sale acquisition costs and other costs incurred in bringing the inventories to their present condition.

For the financial year ended 31 December 2016 (contd.)

# 2. Summary of significant accounting policies (contd.)

# 2.13 Inventories (contd.)

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

## 2.14 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

# 2.15 Financial liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability.

Financial liabilities, within the scope of MFRS 139, are recognised in the statement of financial position when, and only when, the Group and the Company become a party to the contractual provisions of the financial instrument. Financial liabilities are classified as either financial liabilities at fair value through profit or loss or other financial liabilities.

# (a) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities held for trading include derivatives entered into by the Group and the Company that do not meet the hedge accounting criteria. Derivative liabilities are initially measured at fair value and subsequently stated at fair value, with any resultant gains or losses recognised in profit or loss. Net gains or losses on derivatives include exchange differences.

The Group and the Company have not designated any financial liabilities as at fair value through profit or loss.

# (b) Other financial liabilities

The Group's and the Company's other financial liabilities include trade and other payables and loans and borrowings.

Trade and other payables are recognised initially at fair value plus directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method.

Loans and borrowings are recognised initially at fair value, net of transaction costs incurred, and subsequently measured at amortised cost using the effective interest method. Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

For other financial liabilities, gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

For the financial year ended 31 December 2016 (contd.)

# 2. Summary of significant accounting policies (contd.)

# 2.15 Financial liabilities (contd.)

A financial liability is derecognised when the obligation under the liability is extinguished. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

# 2.16 Borrowing costs

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period they are incurred. Borrowing costs consist of interest and other costs that the Group and the Company incurred in connection with the borrowing of funds.

# 2.17 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due.

Financial guarantee contracts are recognised initially as a liability at fair value, net of transaction costs. Subsequent to initial recognition, financial guarantee contracts are recognised as income in profit or loss over the period of the guarantee. If the debtor fails to make payment relating to financial guarantee contract when it is due and the Group, as the issuer, is required to reimburse the holder for the associated loss, the liability is measured at the higher of the best estimate of the expenditure required to settle the present obligation at the reporting date and the amount initially recognised less cumulative amortisation.

Certain unexpired financial guarantees issued were not recognised as no value has been placed on the guarantees provided by the holding company as the directors regard the value of the credit enhancement provided by the said guarantees to be minimal. Other information on financial guarantee contracts are disclosed in Note 30 and Note 31.

# 2.18 Employee benefits

# (i) Short term benefits

Wages, salaries, bonuses and social security contributions are recognised as an expense in the year in which the associated services are rendered by employees. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences. Short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

# (ii) Defined contribution plans

The Group participates in the national pension schemes as defined by the laws of the countries in which it operates in. The Malaysian companies in the Group make contributions to the Employees' Provident Fund in Malaysia, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

For the financial year ended 31 December 2016 (contd.)

# Summary of significant accounting policies (contd.)

# 2.18 Employee benefits (contd.)

# (iii) Retirement benefits

The Group operates an unfunded, defined Retirement Benefits Scheme ("the Scheme") for its eligible employees. The Group's obligations under the Scheme are determined based on triennial actuarial valuation where the amount of benefit that employees have earned in return for their service in the current and prior years is estimated. That benefit is discounted using the Projected Unit Credit Method in order to determine its present value.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Group recognises restructuring-related costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation under administration expenses in statement of comprehensive income:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements
- Net interest expense or income

# 2.19 Leases

# (a) As lessee

Finance leases, which transfer to the Group substantially all the risks and rewards incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Any initial direct costs are also added to the amount capitalised. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to profit or loss. Contingent rents, if any, are charged as expenses in the periods in which they are incurred.

Leased assets are depreciated over the estimated useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life and the lease term.

Operating lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

# (b) As lessor

Leases where the Group retains substantially all the risks and rewards of ownership of the asset are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same bases as rental income.

For the financial year ended 31 December 2016 (contd.)

# Summary of significant accounting policies (contd.)

## 2.20 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable:

# (i) Sale of goods

Revenue from sale of goods is recognised upon the transfer of significant risk and rewards of ownership of the goods to the customer. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

# (ii) Construction contracts

Revenue from construction contracts is accounted for by the stage of completion method as described in Note 2.12.

# (iii) Sale of properties

Revenue from sale of properties is recognised upon the transfer of significant risk and rewards of ownership to the purchasers with no further substantial contractual acts. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due.

# (iv) Interest income

Interest income is recognised on an accrual basis using the effective interest method.

# (v) Dividend and other income

Dividend and other income are recognised when the Group's right to receive payment is established.

# (vi) Management and consultancy fees

Revenue from management and consultancy services rendered is recognised when services are rendered

# 2.21 Income taxes

# (a) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the reporting date.

Current taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity.

# (b) Deferred tax

Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

For the financial year ended 31 December 2016 (contd.)

# 2. Summary of significant accounting policies (contd.)

# 2.21 Income taxes (contd.)

# (b) Deferred tax (contd.)

Deferred tax liabilities are recognised for all temporary differences, except:

- where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

For the financial year ended 31 December 2016 (contd.)

# 2. Summary of significant accounting policies (contd.)

# 2.21 Income taxes (contd.)

# (c) Goods and Services Tax ("GST")

Revenues, expenses and assets are recognised net of the amount of GST except:

- Where the GST incurred in a purchase of assets or services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of other current assets or liabilities in the statements of financial position.

# 2.22 Segment reporting

For management purposes, the Group is organised into operating segments based on their products and services which are independently managed by the respective managers responsible for the performance of the respective segments under their charge. The managers report directly to the management of the Company who regularly review the segment results in order to allocate resources to the segments and to assess the segment performance. Additional disclosures on each of these segments are shown in Note 33, including the factors used to identify the reportable segments and the measurement basis of segment information.

# 2.23 Share capital and share issuance expenses

An equity instrument is any contract that evidences a residual interest in the assets of the Group and the Company after deducting all of its liabilities. Ordinary shares are equity instruments.

Ordinary shares are recorded at the proceeds received, net of directly attributable incremental transaction costs. Ordinary shares are classified as equity. Dividends on ordinary shares are recognised in equity in the period in which they are declared and approved.

# 2.24 Contingencies

A contingent liability or asset is a possible obligation or asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of uncertain future event(s) not wholly within the control of the Group.

Contingent liabilities and assets are not recognised in the statements of financial position of the Group.

# 2.25 Fair value measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible to by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

For the financial year ended 31 December 2016 (contd.)

# Summary of significant accounting policies (contd.)

# 2.25 Fair value measurements (contd.)

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair values are measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurements as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value easurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfer have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

# 3. Significant accounting judgements and estimates

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future.

# 3.1 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

# (a) Useful lives of plant, machinery and equipment

The cost of plant, machinery and equipment for the manufacture of concrete products is depreciated on a straight-line basis over the assets' estimated economic useful lives. Management estimates the useful lives of these plant and equipment to be within 5 to 15 years. These are common life expectancies applied in the concrete products industry. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore, future depreciation charges could be revised. The carrying amount of the Group's plant, machinery and equipment at the reporting date is disclosed in Note 14. A 5% difference in the expected useful lives of these assets from management's estimates would result in approximately 8% (2015: 49%) variance in the Group's profit for the year.

For the financial year ended 31 December 2016 (contd.)

- 3. Significant accounting judgements and estimates (contd.)
  - 3.1 Key sources of estimation uncertainty (contd.)
    - (b) Impairment of loans and receivables

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. To determine whether there is objective evidence of impairment, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor or default or significant delay in payments.

Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. The carrying amount of the Group's loans and receivable at the reporting date is disclosed in Note 19.

# (c) Construction contracts

The Group recognises construction contracts revenue and expenses in the statement of comprehensive income by using the stage of completion method. The stage of completion is determined by the proportion that construction contracts costs incurred for work performed to date bear to the estimated total construction contracts costs.

Significant judgement is required in determining the stage of completion, the extent of the construction contracts costs incurred the estimated total construction contracts revenue and costs, as well as the recoverability of the construction contracts costs. In making the judgement, the Group evaluates based on past experience and by relying on the work of specialists.

For the financial year ended 31 December 2016 (contd.)

# 4. Revenue

	Group		Company	
	2016	2015	2016	2015

	8,920,515	8,496,935	2,062,852	1,825,068

# 11. Directors' remuneration

The details of remuneration received by directors of the Group and of the Company during the year were as follows:

	Group/Company	
	2016	2015
	RM	RM
Non-executive directors' remuneration (Note 9):		
Fees	216,000	220,000
Other emoluments	34,700	34,400
	250,700	254,400
Total directors' remuneration (Note 29(b))	250,700	254,400

The number of directors of the Company whose total remuneration during the financial year fell within the following bands is analysed as follows:

		Number of Directors			
	←	<b>←</b> 2016 →		-2015>	
	Executive	Non-Executive	Executive	Non-Executive	
RM400,001 - RM450,000	-	-	-	-	
RM350,001 - RM400,000	-	-		-	
RM100,001 - RM150,000	-	1	-	1	
RM1 - RM50,000	-	5		8	

For the financial year ended 31 December 2016 (contd.)

# 12. Income tax expense

The major components of income tax expense for the years ended 31 December 2016 and 2015 are:

	Group		Company	
	2016	2015	2016	2015
	RM	RM	RM	RM
Statement of profit or loss and other comprehensive income				
Current income tax:				
Based on results for the year	-	_	-	-
Overprovision of income tax				
in respect of prior year	-	(6,500)	-	-
Income tax expense				
recognised in profit or loss	-	(6,500)	=	-
			=	

Domestic income tax is calculated at the Malaysian statutory tax rate of 24% (2015: 25%) of the estimated assessable profit for the year.

The reconciliation between tax expense and the product of accounting profit/(loss) multiplied by the Malaysian statutory tax rate for the years ended 31 December 2016 and 2015 are as follows:

	G	roup	Company	
	<b>2016</b> RM	<b>2015</b> RM	<b>2016</b> RM	<b>2015</b> RM
Accounting profit/(loss) before tax	1,592,532	233,857	4,124,153 	(2,192,570)
Tax at Malaysian statutory tax rate of 24% (2015: 25%)	382,208	58,464	989,797	(548,143)
Adjustments: Income not subject to tax Non-deductible expenses Effect of utilisation of previously	(855,650) 231,891	- 302,261	(1,200,000) 88,006	- 564,232
unrecognised capital allowances and unutilised tax losses Deferred tax assets not recognised on unutilised tax losses and	(412,679)	(525,476)	-	(16,089)
unabsorbed capital allowances Overprovision of income tax in	654,230	164,751	122,197	-
respect of prior year		(6,500)	-	-
Income tax expense recognised in profit or loss	-	(6,500)	-	<u>-</u>

For the financial year ended 31 December 2016 (contd.)

# 12. Income tax expense (contd.)

Deferred tax assets have not been recognised in respect of the following items:

	Group		Company	
	<b>2016</b>	<b>2015</b>	<b>2016</b>	<b>2015</b>
	RM	RM	RM	RM
Unutilised tax losses	16,642,000	16,244,000	5,450,000	4,941,000
Unabsorbed capital allowances	12,126,000	13,218,000	-	-
Other deductible temporary differences	1,702,000	-	-	-
	30,470,000	29,462,000	5,450,000	4,941,000

As at 31 December 2016 and 2015, the deferred tax assets were not recognised as it was not probable that future taxable profit will be available against which the unutilised tax losses and unabsorbed capital allowances can be utilised. The availability of the unutilised tax losses and unabsorbed capital allowances for offsetting against future taxable profits of the Group is subject to the provisions of the Income Tax Act, 1967.

# 13. Earnings per share

Basic earnings per share ("EPS") is calculated by dividing profit for the year, net of tax, attributable to equity holders of the Company by the weighted average number of ordinary shares outstanding during the financial year.

Diluted EPS amounts are calculated by dividing profit attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

The Company does not have any potential ordinary share in issue which will cause a dilution in EPS. Accordingly, diluted earnings per share is the same as basic earnings per share.

	Group		
	2016	2015	
Profit net of tax, attributable to equity holders of the company (RM)	1,592,532	240,357	
Weighted average number of ordinary shares	73,582,500	73,582,500	
Basic and diluted profit per share (sen)	2.16	0.33

For the financial year ended 31 December 2016 (contd.)

# 14. Property, plant and equipment (contd.)

Acquisitions of property, plant and equipment during the financial year were made by the following means:

		Group		mpany
	2016	2015	2016	2015
	RM	RM	RM	RM
Cash	2,163,250	892,961	4,373	-
Finance lease		159,800	<del>-</del>	=
	2,163,250	1,052,761	4,373	-

The net carrying amount of plant and machinery and motor vehicles held under finance leases at the reporting date was as follows:

Group		Company	
2016	2015	2016	2015
RM	RM	RM	RM
2,050,270	3,493,459	-	-
93,724	136,982	1	1
2,143,994	3,630,441	1	1
	2016 RM 2,050,270 93,724	2016 2015 RM RM 2,050,270 3,493,459 93,724 136,982	2016 2015 2016 RM RM RM RM  2,050,270 3,493,459 - 93,724 136,982 1

Leased assets are pledged as security for the related finance lease liabilities (Note 23).

In addition to assets held under finance leases, the Group's buildings with a net carrying amount of RM7,933,129 (2015: RM8,793,640) are pledged as security for the Group's loans and borrowings (Note 23).

Certain leasehold land of the Group and the Company with a net carrying amount of RM11,313,884 (2015: RM11,754,208) and RM4,096,909 (2015: RM4,182,010), respectively, are pledged as security for banking facilities as disclosed in Note 23.

# 15. Other assets

Other assets represents properties received by the Group as settlement consideration for trade receivables outstanding balances.

The movements of other assets during the year are as follows:

	Group		
	2016	2015	
	RM	RM	
Balance at 1 January Additions during the year	2,060,449 527,484	1,886,472 173,977	
Balance at 31 December	2,587,933	2,060,449	

For the financial year ended 31 December 2016 (contd.)

# 16. Investment in subsidiaries

	Company		
	<b>2016</b> RM	<b>2015</b> RM

Total loans and receivables	31,796,393	22,851,243	5,644,004	485,665

# (a) Trade receivables

The Group's normal trade credit term is 90 days (2015: 90 days). Other credit terms are assessed and approved on a case-by-case basis.

Trade receivables earn late payment interest of 1.5% (2015: 1.5%) per month for sale of goods and 10% (2015: 10%) per annum for sale of properties, and are assessed on a case-by-case basis. They are recognised at their original invoice amounts which represent their fair values on initial recognition.

For the financial year ended 31 December 2016 (contd.)

# 19. Trade and other receivables (contd.)

(a) Trade receivables (contd.)

# Ageing analysis of trade receivables

The ageing analysis of trade receivables is as follows:

	Group	
	<b>2016</b> RM	<b>2015</b> RM
Neither past due nor impaired	9,810,726	9,528,009
1 to 30 days past due not impaired	2,477,177	1,190,800
31 to 60 days past due not impaired	1,474,189	677,757
61 to 90 days past due not impaired	922,150	416,250
91 to 120 days past due not impaired	491,267	461,235
More than 121 days past due not impaired	1,819,923	4,377,099
	7,184,706	7,123,141
Impaired	3,777,646	5,475,890
	20,773,078	22,127,040

# Receivables that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are creditworthy debtors with good payment records with the Group.

None of the Group's trade receivables that are neither past due nor impaired have been renegotiated during the financial year.

# Receivables that are past due but not impaired

The Group has trade receivables amounting to RM7,184,706 (2015: RM7,123,141) that are past due at the reporting date but not impaired. Receivables that are past due but not impaired are unsecured in nature.

# Receivables that are impaired

The Group's trade receivables that are impaired at the reporting date and the movement of the allowance account used to record the impairment are as follows:

2016	Collectively impaired RM	Individually impaired RM	<b>Total</b> RM
Trade receivables - nominal amount Less: Allowance for impairment	1,500 (1,500) 	3,776,146 (3,776,146)	3,777,646 (3,777,646)

For the financial year ended 31 December 2016 (contd.)

# 19. Trade and other receivables (contd.)

# (a) Trade receivables (contd.)

# Receivables that are impaired (contd.)

The Group's trade receivables that are impaired at the reporting date and the movement of the allowance account used to record the impairment are as follows: (contd.)

	<b>Collectively</b> <b>impaired</b> RM	Individually impaired RM	<b>Total</b> RM
2015			
Trade receivables - nominal amount Less: Allowance for impairment	1,500 (1,500)	5,474,390 (5,474,390)	5,475,890 (5,475,890)
	<del>-</del>	<del>-</del>	<del>-</del>

# Movement in allowance accounts

	Group		
	2016	2015	
	RM	RM	
At 1 January	5,475,890	5,415,434	
Charge for the year	2,077,048	60,456	
Reversal of impairment losses (Note 9)	(3,775,292)	-	
At 31 December	3,777,646	5,475,890	
	<del></del>		

Trade receivables that are individually determined to be impaired at the reporting date relate to debtors that have defaulted on payments. These receivables are not secured by any collateral or credit enhancements.

# (b) Amount due from related companies

The amount due from related companies is amount due from companies in which certain directors of the Group and of the Company have financial interest. This amount is unsecured, earns interest at 8% (2015: 8%) per annum and is repayable on demand.

# (c) Amount due from subsidiaries

This amount is unsecured, earns interest at 3.5% (2015: 3.5%) per annum and is repayable on demand.

# 20. Other current assets

	Group		Company	
	<b>2016</b>	<b>2015</b>	<b>2016</b>	<b>2015</b>

For the financial year ended 31 December 2016 (contd.)

### 30. Fair value of financial instruments

# A. Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value

		2016		2015
	Carrying amount RM	<b>Fair</b> <b>value</b> RM	Carrying amount RM	Fair value RM
Financial liabilities:				
Group				
Loans and borrowings (Note 23): - Obligations under finance leases - Fixed rate bank loans	792,557 246,054	778,660 244,141	1,377,051 1,246,976	1,350,071 1,187,797
Company				
Loans and borrowings (Note 23): - Obligations under finance leases	106,695	105,083	139,055	135,445

Fair value is the amount at which the financial asset could be exchanged or a financial liability could be settled, between knowledgeable and willing parties in an arm's length transaction.

### B. Determination of fair value

# Financial instruments that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

The following are classes of financial instruments that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value:

	Note
Trade and other receivables	19
Other current assets	20
Cash and bank balances	22
Loans and borrowings (current and non-current)	23
Trade and other payables (current and non-current)	24
Other current liabilities	25
Other current liabilities	25

The carrying amounts of these financial assets and liabilities, are reasonable approximation of fair values, due to their short-term nature or that they are floating rates instruments that are re-priced to market interest rate on or near the reporting date.

The carrying amount of the current portion of loans and borrowings are reasonable approximations of fair value due to the insignificant impact of discounting.

### Amount due to/from subsidiaries, finance lease obligations, fixed rate bank loans and borrowings

The fair values of these financial instruments are estimated by discounting expected future cash flows at market incremental lending rate for similar types of lending, borrowing or leasing arrangements at the reporting date.

For the financial year ended 31 December 2016 (contd.)

### 30. Fair value of financial instruments (contd.)

### B. Determination of fair value (contd.)

### Financial guarantees

Fair value of the financial guarantees of the Company given to banks for credit facilities granted to a subsidiary is determined by assessing whether the financial guarantee gives rise to credit enhancement to facilities granted to the subsidiary. If there is existence of credit enhancement, the fair value of the financial guarantee is determined by discounting the interest differential between a facility with financial guarantee and a facility without the financial guarantee.

### C. Fair value hierarchy

The Group classifies fair value measurement using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1 Quoted (unadjusted) prices in active markets for identical assets or liabilities;
- Level 2 Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following table provides the fair value hierarchy of the Group's and the Company's liabilities.

Quantitative disclosures of the fair value measurement hierarchy for liabilities as at 31 December 2016 and 31 December 2015 were as follows:

Group	Date of valuation	<b>Level 1</b> RM	<b>Level 2</b> RM	<b>Level 3</b> RM	<b>Total</b> RM
Liabilities for which fair values are disclosed: Interest-bearing loans and borrowings - Obligations under finance lease - Fixed rated bank loans	31 December 2016 31 December 2016	- -	778,660 244,141	- -	778,660 244,141
Liabilities for which fair values are disclosed: Interest-bearing loans and borrowings - Obligations under finance lease - Fixed rated bank loans	31 December 2015 31 December 2015	-	1,350,071 1,187,797	-	1,350,071 1,187,797

For the financial year ended 31 December 2016 (contd.)

### 30. Fair value of financial instruments (contd.)

### C. Fair value hierarchy (contd.)

Company	Date of valuation	<b>Level 1</b> RM	<b>Level 2</b> RM	<b>Level 3</b> RM	<b>Total</b> RM
Liabilities for which fair values are disclosed: Interest-bearing loans and borrowings					
<ul> <li>Obligations under finance lease</li> </ul>	31 December 2016 31 December	-	105,083	-	105,083
	2015	-	135,445	-	135,445

There have been no transfers between any levels during the financial year.

### 31. Financial risk management objectives and policies

The Group's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Group's business whilst managing its credit, liquidity and interest rate risks. The Group's overall risk management strategy seeks to minimise adverse effects from the unpredictability of financial markets on the Group's financial performance.

The Group has a system of controls in place to maintain an acceptable balance between the cost of risks occurring and the cost of managing the risks. The management continually monitors the Group's risk management process to ensure that an appropriate balance between risk and control is achieved.

The objectives of the Group's Risk Management are to:

- Ensure business going concern by avoiding and mitigating losses;
- Improve business performance by informing and improving decision making and planning;
- Promote a more innovative, less risk adverse culture in which the taking of calculated risks in pursuit of opportunities to benefit the Group is encouraged; and
- Provide a sound basis for integrated risk management and internal control as components of good corporate governance.

To ensure a sound system of internal controls, the Board has established a risk management framework for the Group. The Group's risk governance structure comprises two levels:

- The Risk Management Committee at the Board level; and
- The Risk Management Working Group comprising the heads of the respective operating units/departments.

The Board-level Risk Management Committee is responsible for:

- Ensuring the implementation of the risk management policy;
- Identifying, evaluating and managing principal risks faced by the Group;
- Updating the Board via the Audit Committee on the status of risks and controls;
- Overseeing the Risk Management Working Group;
- · Reviewing the overall risk management guidelines/framework;
- · Reviewing and recommending risk limits; and
- Assessing the adequacy and effectiveness of the risk management policies and systems.

For the financial year ended 31 December 2016 (contd.)

### 31. Financial risk management objectives and policies (contd.)

The Board is responsible for:

- Monitoring the management of principal risks to ensure that appropriate and sound system of internal controls are in place; and
- Reviewing annually the risk management approach and practices.

The Audit Committee is responsible for:

- Advising the Board on Risk Management and internal control; and
- Collating the sources of assurance which inform how effectively risk is managed and the reliability of the internal control system.

Risk management activities are carried out by the management under the policies approved by the Risk Management Committee. Risk management activities are reviewed regularly to reflect changes in market conditions and the Group's activities.

### (a) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including cash and bank balances), the Group and the Company minimises credit risk by dealing exclusively with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts being insignificant.

### **Exposure to credit risk**

At the reporting date, the Group's and the Company's maximum exposure to credit risk is represented by:

- The carrying amount of each class of financial assets recognised in the statements of financial position.
- A nominal amount of RM23,720,787 (2015: RM19,238,000) relating to corporate guarantees provided by the Company to banks on a subsidiary's bank loans and borrowings.

### Credit risk concentration profile

The Group determines concentrations of credit risk by monitoring the customer profile of its trade receivables on an ongoing basis.

As at the reporting date, approximately 9% (2015: 24%) of the Group's trade and other receivables were due from related parties while the remaining balance are with non-related parties.

### Financial assets that are neither past due nor impaired

Information regarding trade and other receivables that are neither past due nor impaired is disclosed in Note 19. Deposits with banks and other financial institutions that are neither past due nor impaired are placed with or entered into with reputable financial institutions or companies with high credit ratings and no history of default.

### Financial assets that are neither past due nor impaired

Information regarding financial assets that are either past due or impaired is disclosed in Note 19.

For the financial year ended 31 December 2016 (contd.)

### 31. Financial risk management objectives and policies (contd.)

### (b) Liquidity risk

Liquidity risk is the risk that the Group and the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities.

The Group's liquidity risk management policy is to maintain sufficient liquid financial assets and stand-by credit facilities to meet financial commitments and obligations when they fall due at a reasonable cost. The Group actively manages its debt maturity profile, operating cash flows and the availability of funding so as to ensure that all refinancing, repayment and funding needs are met.

As far as practicable, the Group will constantly raise committed funding from both capital markets and financial institutions and prudently balance its portfolio with same short term funding so as to achieve overall cost effectiveness.

### Analysis of financial instruments by remaining contractual maturity

The table below summarises the maturity profile of the Group's and the Company's liabilities at the reporting date based on contractual undiscounted repayment obligations.

	On demand or within one year RM	One to five years RM	Over five years RM	<b>Total</b> RM
2016				
Group				
Financial liabilities:				
Trade and other payables # Loans and borrowings	17,022,735 11,088,131	- 11,087,438	- 1,708,996	17,022,735 23,884,565
Total undiscounted financial liabilities	28,110,866	11,087,438	1,708,996	40,907,300
2015				
Group				
Financial liabilities:				
Trade and other payables # Loans and borrowings	13,306,178 9,263,825	- 8,646,041	- 1,790,188	13,306,178 19,700,054
Total undiscounted financial liabilities	22,570,003	8,646,041	1,790,188	33,006,232

For the financial year ended 31 December 2016 (contd.)

### 31. Financial risk management objectives and policies (contd.)

### (b) Liquidity risk (contd.)

Analysis of financial instruments by remaining contractual maturity (contd.)

2016	On demand or within one year RM	One to five years RM	Over five years RM	Total RM
Company				
Financial liabilities:				
Trade and other payables # Loans and borrowings Financial guarantee contracts*  Total undiscounted	414,223 39,864 23,720,787	76,325 	- - -	414,223 116,189 23,720,787
financial liabilities	24,174,874	76,325 ————	-	24,251,199
2015				
Company				
Financial liabilities:				
Trade and other payables # Loans and borrowings Financial guarantee contracts*	207,597 174,347 19,238,000	116,189 - -	- - -	207,597 290,536 19,238,000
Total undiscounted financial liabilities	19,619,944	116,189	-	19,736,133

<sup>#</sup> Trade and other payables exclude amount due to subsidiaries as they are not practicable to determine the expected contractual undiscounted cash flow with sufficient reliability since this balance has no fixed terms of repayment.

### (c) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates.

The Group's and the Company's exposure to market risk for changes in interest rate environment relates mainly to its investment in financial products and its loans and borrowings.

The investments in financial products are short term in nature and they are not held for trading or speculative purposes. The financial products comprise mainly fixed deposits, which yield better returns than cash at bank.

The Group manages its interest rate risk exposure by maintaining a prudent mix of fixed and floating rate borrowings.

<sup>\*</sup> Financial guarantee contracts of the Company represent financial guarantee given to banks for credit facilities granted to a subsidiary.

For the financial year ended 31 December 2016 (contd.)

### 31. Financial risk management objectives and policies (contd.)

### (c) Interest rate risk (contd.)

### Sensitivity analysis for interest rate risk

At the reporting date, if the rates had been 25 basis points higher/lower, with all other variables held constant, the Group's and the Company's net of profit/(loss), net of tax would have been RM39,969 (2015: RM25,393) and RM Nil (2015: RM252) respectively, higher/lower interest expense on floating loans and borrowings. The assumed movement in basis points for interest rate sensitivity analysis is based on the currently observable market environment.

### 32. Capital management

The primary objective of the Group's capital management is to ensure that it maintains healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholder, return capital to shareholders or issue new shares.

No changes were made in the objective, policies and processes during the years ended 31 December 2016 and 2015.

The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, loans and borrowing, trade and other payables, less cash and bank balances. Capital includes equity attributable to equity holders of the Company.

The Group is not subject to externally imposed capital requirements.

		Group		Company		
	Note	2016 RM	2015 RM	2016 RM	2015 RM

For the financial year ended 31 December 2016 (contd.)

### 33. Segment information

For management purposes, the Group is organised into business units based on their products and services and has three reportable operating segments as follows:

- (i) The manufacturing/corporate segment is involved in the manufacturing and sale of precast concrete, pipes, prestressed spun concrete piles and other related concrete products, and investment holding.
- (ii) The property trading segment is in the business of property dealing and trading of properties.
- (iii) The construction segment is involved in the installation of industrialised building system components.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which, in certain respects as explained in the table below, is measured differently from operating profit or loss in the consolidated financial statements. Group financing (including finance costs) and income taxes are managed on a group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

No geographical analysis has been presented as the Group's business interest is predominantly located in Malaysia.

For the financial year ended 31 December 2016 (contd.)

### 33. Segment information (contd.)

### Information about a major customer

Revenue from one major customer amounted to RM3,626,086 (2015: RM7,336,550) arising from sales by the manufacturing/corporate segment.

### 34. Comparatives

During the financial year, the directors reclassified the properties received by the Group as settlement consideration for trade receivables outstanding balances, that were previously classified as investment properties to other assets.

The effects arising from above reclassification are as follows:

Statement of financial position	As previously stated RM	Reclassification RM	As restated RM
Group			
At 31 December 2015 Non-current assets Investment properties Other assets	2,060,449	(2,060,449) 2,060,449	2,060,449
At 31 December 2014 Non-current assets Investment properties Other assets	1,886,472	(1,886,472) 1,886,472	1,886,472

### 35. Subsequent event

On 28 December 2016, the Company entered into a conditional share sale agreement with Gaya Belian Sdn. Bhd., Brian Francis Ticcioni and Asgari Bin Mohd Fuad Stephens for the proposed acquisition of 4,463,640 ordinary shares of RM1 each representing the entire equity interest in Carlton Gardens Sdn. Bhd. ("CGSB") for a total purchase price of RM9,500,000 and proposed to undertake proposed private placement of up to 36,397,125 new ordinary shares of RM0.50 each in Sarawak Consolidated Industries Berhad ("SCIB") after the Proposed Par Value Reduction representing up to 45% of the enlarged issued and paid-up share capital of SCIB after the completion of the Proposed Par Value Reduction and Proposed CGSB acquisition to be subscribed by potential investors to be identified later.

### 36. Authorisation of financial statements for issue

The financial statements for the year ended 31 December 2016 were authorised for issue by the Board in accordance with a resolution of the directors on 10 April 2017.

For the financial year ended 31 December 2016 (contd.)

### 37. Supplementary information - breakdown of retained profits into realised and unrealised

The breakdown of the retained profits of the Group and of the Company as at 31 December 2016 and 2015 into realised and unrealised profits is presented in accordance with the directive issued by Bursa Malaysia Securities Berhad dated 25 March 2010 and prepared in accordance with Guidance on Special Matter No. 1, Determination of Realised and Unrealised Profits or Losses in the Context of Disclosure Pursuant to Bursa Malaysia Securities Berhad Listing Requirements, as issued by the Malaysian Institute of Accountants.

Dated this..... \_\_\_\_\_day of \_\_\_\_\_2017. Signature of shareholder(s)/ Common Seal

- tes:

  A proxy may but need not be a member of the Company and there shall be no restriction as to the qualification of the proxy. A proxy appointed to attend, speak and vote at a meeting of a Company shall have the same rights as the member to speak at the meeting.

  To be valid, the duly completed Form of Proxy must be deposited at the registered office of the Company at Lot 1258, Jalan Utama, Pending Industrial Estate, 93450 Kuching, Sarawak not less than 48 hours before the time set for holding the meeting or any adjournment thereof.

  A member of the Company entitled to attend, speak and vote at this Annual General Meeting ("AGM") shall not be entitled to appoint more than two (2) proxies to attend, speak and vote at the same meeting. Where a member appoints more than one (1) proxy, the appointment shall be invalid unless he specifies the proportions of his holdings to be represented by each proxy.
- to be represented by each proxy.

  If the appointor is a corporation, the Form of Proxy must be executed under its common seal or under the hand of an officer or attorney duly authorised.
- Where a member of the Company is an exempt authorised nominee which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds. An exempt authorized nominee refers to an authorized nominee defined under the Securities Industry (Central Depositories) Act 1991 ("SICDA") which is exempted from compliance with the provisions of subsection 25A(1) of SICDA.

  A depositor whose name appears in the Record of Depositors as at 25 May 2017 shall be regarded as a member of the Company entitled to attend this AGM or appoint a
- proxy to attend, speak and vote on his behalf.
